

# BPS Learning from home - Stage 2, Week 10 - ONLINE

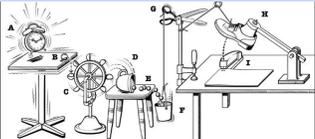

You may need help from a parent/carer to complete your Online Learning tasks. Parts of this program may require you to view a video, access a website or complete a task through your Google Classroom. Please keep a record of any work that you complete that is not uploaded into your Google Classroom.

Week Online	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Morning</b>	<p><b>English - Writing</b></p> <p><b>Task-</b></p> <p><b>Brainstorm your ideas for this topic:</b></p> <p>Even if it hurts someone's feelings, you should always tell the truth.</p> <p>Think about both sides of the argument.</p> <p>Think of 3 reasons to back up your ideas.</p>	<p><b>English - Writing</b></p> <p><b>Task-</b> Draft your persuasive text on Even if it hurts someone's feelings, you should always tell the truth.</p>	<p><b>English - Writing</b></p> <p><b>Task-</b> Go to BTN website. Watch the latest episode. Complete 2 activities from the website.</p> <p>Something Easier-Challenge-</p>	<p><b>English - Writing</b></p> <p><b>Task -</b> Go to Pobble 365 website. Complete 2 of the activities below the picture.</p>	<p><b>Task -</b> You are going to make a virtual tour of your house giving all of the information you can about your house.</p> <p>Plan on Google docs-</p> <p>What is each room used for?</p> <p>What is the size and function of each room?</p> <p>Who uses each room?</p> <p>Etc</p> <p>Using an ipad or camera device - create a virtual tour of your house.</p>

<p><b>English - Reading</b></p> <p><b>Task - Go to</b></p> <p><a href="https://www.kidsnews.com.au/green">https://www.kidsnews.com.au/green</a></p> <p>Choose an article to read Complete a activity from the bottom</p>	<p><b>English - Reading</b></p> <p><b>Task - Go to</b></p> <p><a href="https://classroommagazines.scholastic.com/support/learnathome.html">https://classroommagazines.scholastic.com/support/learnathome.html</a></p> <p>Find Year 3-5 and complete Day 1</p> <p>Answer the following:</p> <p>What was the text about?</p> <ul style="list-style-type: none"> <li>· Who was in the story?</li> <li>· Where did the story take place?</li> <li>· What was the author's purpose? ·</li> <li>· What is the main message or moral of this text?</li> </ul>	<p><b>English - Reading</b></p> <p><b>Task - Go to</b></p> <p><a href="https://www.kidsnews.com.au/green">https://www.kidsnews.com.au/green</a></p> <p>Choose an article to read Complete a activity from the bottom</p>	<p><b>English - Reading</b></p> <p><b>Task - Go to</b></p> <p><a href="https://classroommagazines.scholastic.com/support/learnathome.html">https://classroommagazines.scholastic.com/support/learnathome.html</a></p> <p>Find Year 3-5 and complete Day 2</p>	<p><b>English - Reading</b></p> <p><b>Task - Go to</b></p> <p><a href="https://www.kidsnews.com.au/green">https://www.kidsnews.com.au/green</a></p> <p>Choose an article to read Complete a activity from the bottom</p>
<p><b>English - Spelling</b></p> <p><b>Task-</b> /s/ phoneme - s se c ce ss sc st - Brainstorm words for each grapheme.</p>	<p><b>English - Spelling</b></p> <p>Task- Make a list of words that have s se c ce ss sc st graphemes. -</p> <p><b>Challenge-</b> Use a dictionary to find more</p>	<p><b>English - Spelling</b></p> <p>Use all of your words in silly sentences.</p> <p><b>Challenge:</b> Locate following roots of</p>	<p><b>English - Spelling</b></p> <p>Define all of the words in your list.</p> <p><b>Challenge:</b> Locate following roots of words on website <a href="https://membean.com/treelist">https://membean.com/treelist</a> and create table</p>	<p><b>English - Spelling</b></p> <p>Play hangman with your sibling or parent</p>

<b>Break</b>					
<b>Middle</b>	<p><b>Mathematics</b></p> <p><b>Warm Up-</b> How many shapes can you see in your current learning space. How many sides do your shapes have altogether?</p>	<p><b>Mathematics</b></p> <p><b>Warm Up-</b> How many regular 3D objects can you see in your current learning space. How many faces do these objects have altogether?</p>	<p><b>Mathematics</b></p> <p><b>Warm Up-</b> Create 5 different number patterns that use the number 10</p>	<p><b>Mathematics</b></p> <p><b>Warm Up-</b> Create 5 different number patterns that use the number 100.</p>	<p><b>Mathematics</b></p>

	<p><b>Task-</b> Complete 3 x Mathletics tasks.</p> <p><b>Open Ended Challenge-</b></p> <p>Zac and Zoe were having a conversation in their bedroom.</p> <p>Their dad came into the room just as Zac said to Zoe, "It's rather unlikely that it will happen."</p> <p>Zoe said, "I disagree, Zac. I think it's likely that it will happen."</p> <p>What events might Zac and Zoe have been discussing?</p> <p>List some possible events under the headings of 'likely' and 'unlikely'.</p>	<p><b>Task-</b> Complete 3 x Mathletics tasks. Classroom to see your lesson.</p> <p><b>Open Ended Challenge-</b></p> <p>Choose four digits between 1 and 9.</p> <p>Create as many numbers involving decimals as you can, using these four digits.</p> <p>Write your numbers in ascending and descending order.</p> <p>Place your numbers on a number line.</p> <p>Draw a picture which represents each decimal.</p>	<p><b>Task-</b> Complete 3 x Mathletics tasks.</p> <p><b>Open Ended Challenge-</b> Jennifer is at the clothing store. She has \$25 to spend on a gift for her dad.</p> <p>Shirts cost \$12.00, pants cost \$22.00, ties cost \$6.50 and socks cost \$3.00.</p> <p>List some different gift combinations that Jennifer could buy.</p> <p>Calculate the total amount Jennifer would pay for each combination, as well as any change she might receive.</p>	<p><b>Task-</b> Complete 3 x Mathletics tasks.</p> <p><b>Open Ended Challenge-</b></p> <p>Davina's family have just opened an Italian restaurant. They have enough space for 72 diners.</p> <p>Draw two possible floor plans, showing two different ways of how the tables might be arranged.</p> <p>The fewest amount of people per table is 2.</p> <p>The greatest amount of people per table is 8.</p> <p>There must be a variety of table sizes in the restaurant</p>	<p><b>Task-</b> Complete 3 x Mathletics activities.</p> <p><b>Open Ended Challenge-</b></p> <p>You have decided to rearrange your bedroom.</p> <p>Draw a birds eye view of what your bedroom could look like.</p> <p>Things to include:</p> <ul style="list-style-type: none"> <li>-Accurate measurements</li> <li>-A scale</li> <li>- Labels of each item in your room.</li> <li>- The area of each shape.</li> <li>- The perimeter of each shape.</li> </ul>
<b>Break</b>					

<p><b>Afternoon</b></p>	<p><b>Science</b></p> <p><b>RUBE GOLDBERG MACHINES (RGM) at home!</b></p>  <p><a href="https://www.youtube.com/watch?v=0lz8_aaKNX">https://www.youtube.com/watch?v=0lz8_aaKNX</a>  <b>A</b> - here's a rad video with 7M views with a whole house turned into a crazy <b>RGM!</b> I wonder if yours will get that many views when you've made your video!</p> <p>We have been learning all about 5 'Simple Machines' in science. This has helped us to get into making really cool ideas and designs for your <b>RGM</b>.</p> <ol style="list-style-type: none"> <li>1. Inclined plane or Ramp</li> <li>2. Lever</li> <li>3. Pulley</li> <li>4. Wedge</li> <li>5. Wheel and axle</li> </ol>	<p><b>Philosophy</b></p> <p>Over the next two weeks we will listen to the first part of the story Fantastic Mr Fox and think about questions that relate to the story. This is read by Roald Dahl, the author of this story.</p> <p>First you need to listen to this clip  <a href="https://soundcloud.com/puff-in-books-uk/fantastic-mr-fox-by-roald-dahl-read-by-roald-dahl">https://soundcloud.com/puff-in-books-uk/fantastic-mr-fox-by-roald-dahl-read-by-roald-dahl</a> BUT STOP AT 2:15 because that is what we will talk about. This story is a listening story so you can use your imagination to think what the three farmers, Boggins, Bunce and Bean looked like.</p> <p>Remember what the children in the village would sing when they saw the three farmers.</p>	<p><b>Library</b></p> <p>Choose a book to read or listen to on Audible audiobook online (Choose from the <i>Elementary</i> section).</p> <p><a href="https://stories.audible.com/start-listen">https://stories.audible.com/start-listen</a></p> <p>You should be reading for at least 30minutes a day.</p> <p>Before you read the book, start a book journal in a new Google doc.</p> <p>Start by writing down;</p> <ul style="list-style-type: none"> <li>→ The name of the Author?</li> <li>→ The name of the Illustrator?</li> <li>→ What if there is only one name on the front?</li> </ul> <p>Look at the front cover, the back cover and the in pages of the book. Can you guess</p>	<p><b>Music</b></p> <p>In Music we have been exploring music that is used in movies and TV shows, and how the music that is paired with a scene can determine the effect it has on a viewer.</p> <p>You are to find a song; this could be on a CD you have at home, on YouTube, the source doesn't matter (though an instrumental song without any singing is best). The song can also be in a style of your choice (e.g. classical, rock, jazz, pop, etc). What emotions does the song evoke? Is it happy? Sad? Angry? Reflective? It might be portraying a number of different feelings!</p> <p>You are then to find an image (this could be online, in a book or a</p>	<p><b>PDHPE</b></p> <p>Options:</p> <ol style="list-style-type: none"> <li>a) Practice throwing and catching. How many claps can you do between each.</li> <li>b) Create and complete an obstacle course in your house or backyard (make sure you put everything back)</li> <li>c) Cosmic Yoga</li> </ol>
-------------------------	--	---	--	---	---

(remember a SCREW is just a twisted inclined plane)

Here is a video reminder in case you have forgotten any of the simple machines we are going to use in your **RGM**.

<https://www.youtube.com/watch?v=LSfNYpCprw4>

Try explaining them to someone, or chatting with one of your classmates on the phone to find out if they remember all 5 simple machines.

Our last lesson in science you started testing out some of your ideas for your **RGM**.

***Boggis and Bunce and Bean one fat, one short, one lean***

***These horrible crooks so different in looks***

***Were nonetheless equally mean.***

The children decided that the farmers were mean. Write down what you think a mean person is? (go away and draw a mean person)

If you can share with someone, tell them what made you draw what you did? Some of you have drawn ugly people, angry people.

what the story might be about? Write down your prediction in your book journal.

Read the story.

→ After every 2nd chapter write down a reflection about what happened in the story. Include one or two sentences at the end of each chapter review about what you think will happen in the coming chapters.

When you complete the book reflect;

- Was your prediction correct?
- Who was the main character/s
- Did you see anything interesting in the book that you

magazine) that reflects the emotions presented in the song. Discuss why you picked this particular image and why you think it reflects the emotions you can hear in the song.

This week for science, you are on a **scavenger hunt for things you could use in your very own RGM**. Raid your toy box, building blocks, balls, toy cars, maybe even some bits and pieces out of the kitchen! Just about everything in your home can be used for a **RGM**, your imagination is the only limit. Rewatch that video of the whole house **RGM** if you need some ideas on what you could use.

Get a collection of things that could be used and start thinking about how they could interact for your **RGM**. You can even try a few ideas out! Next week we get down to business and begin construction.

Did any of you draw a princess? Or someone you knew?

Can you decide what a person is because of the way he looks? Are there other ways to decide what we think of people? Could we be wrong when we make a judgement of a person we do not know very well?

The word prejudice means to pre judge someone – that is making a judgement before you know someone. What is the problem doing this?

Write down your thoughts about what the children in this story did?

And now for a sticky question to challenge your family. See you all next week.

Ms KKW

might have seen before in real life e.g. I saw the harbour bridge in this story, remember when we went to circular quay and saw the harbour bridge.

### **WORK SUBMISSION**

Submit your Library work separately to your other school work.

You do not need to submit your work today. It should be submitted at the end of term on the last day of school (Thursday the 9th of April) whether you have finished your book or not. The objective of the journal is not to complete the book but to reflect on what you are reading.

		  <p>Do video games play their players?</p>
