Thursday 16<sup>th</sup> May 2019

Dates for your Diary

### May

- Fri 17<sup>th</sup> – 1G hosting assembly
- Tue 21<sup>st</sup> – Zone Cross Country
- Wed 22<sup>nd</sup> – P&C meeting 7pm in the staffroom
- Fri 24<sup>th</sup> – 4Y hosting assembly
- Fri 24<sup>th</sup> – Musica Viva
- Wed 29<sup>th</sup> – Pauline McLeod Reconciliation Week Awards Ceremony, 5pm at Woollahra Council Chambers

Dear parents and carers,

Congratulations to all of the students who participated in the K-1 and 2-6 **Cross Country** carnivals last week. It was wonderful to see students encouraging each other and having fun! I managed to get to both carnivals and I was incredibly proud of the exceptional behaviour demonstrated by all. I would also like to wish those students who are representing our school at the upcoming Zone Cross Country the best of luck!

Tomorrow is **Walk Safely to School Day** and I encourage all of our families to walk and commute safely to school. It is a timely reminder to talk to your children about road rules and staying safe. The streets around our school can be particularly dangerous because they are often overcrowded and the vision of drivers can be obscured. Please take the time to read through the tips below and have regular conversations with your children. I have also included the link to a Road Safety document from Transport NSW if you would like further information:

<https://roadsafety.transport.nsw.gov.au/downloads/keeping-our-kids-safe-around-schools.pdf>

#### Messages to share with your children in Kindergarten to Year 2

- Hold a grown up's hand when:
  - you cross the road
  - you're on the footpath
  - you're in a car park

#### Messages to share with children in Years 3 to 6

- Use a safe place to cross the road
- **Stop! Look! Listen! Think!** every time you cross the road and keep checking until safely across

#### **STOP!**

one step back from the kerb

#### **LOOK!**

continuously both ways

#### **LISTEN!**

for the sounds of approaching traffic

#### **THINK!**

whether it is safe to cross and keep checking until safely across

All of our Years 3 and 5 students have begun the **NAPLAN** assessments this week. This year all tests are being completed online with the exception of the Year 3 Writing assessment, which will be a paper version. This week students completed the writing and reading assessments and next week they will complete the numeracy and language conventions assessment.

All students K-6 have had their first **Positive Behaviour for Learning (PBL)** lesson this week. The PBL team, together with student and parent representatives have worked very hard over the last 18 months to develop a set of school-wide expectations that will be explicitly taught to every child. As we know it takes a village to raise a child, we would appreciate you using the same language around expectations at home. I have included the first slide that refers to **Whole School Settings** that all of our students were introduced to this week.

## WHOLE SCHOOL SETTINGS

Learner	Respectful	Safe
<ul style="list-style-type: none"> <li>Always be on time</li> <li>Walk through the school quietly</li> <li>Be responsible for your own actions</li> <li>Remain on the school grounds after drop off</li> <li>Move to lines when the music starts</li> </ul>	<ul style="list-style-type: none"> <li>Use manners (please, thank you, excuse me)</li> <li>Put rubbish in correct bins</li> <li>Treat others the way you would like to be treated</li> <li>Wear the correct school uniform</li> <li>Help others in need</li> <li>Eat food in designated areas</li> </ul>	<ul style="list-style-type: none"> <li>Follow adult instructions</li> <li>Keep hands and feet to self</li> <li>Stay in bounds</li> <li>Walk in two straight lines</li> <li>Share playing space</li> </ul>

Eight of our Year 6 students play in a local basketball league under the name the 'Bondi Racoons'. They recently won their grand final which was no mean feat. Congratulations to Frances, Audrey, Cara, Tess, Ava, Alice, Olivia and Laura!

The Term 2 **P&C Meeting is on Wednesday 22<sup>nd</sup> May at 7pm in the staffroom.** The P&C meets once per term to hear from the Principal about new school programs, allocate resources, discuss fundraising priorities, coordinate events, find solutions for issues raised and much more. From the uniform shop and canteen to working bees, we make an impact on every facet of the school.

Everyone is welcome to attend a meeting, you don't have to be a formal member. It's your chance to have a say in important decisions, contribute to discussion, or just to be the first to hear about exciting news and upcoming events at the school.

Join a friendly and fun group of committed parents and community members for a great mid-week night out – wine and cheese included!

The **Mother's Day** event that was organised by the Kindy parents on behalf of the P&C was a huge success. The event raised close to \$6000. Thank you to all of the volunteers who made the morning possible!

## The Bondi Bulletin

Our P&C is also having a **BBQ fundraiser this Saturday** during the Federal election. Make sure you come on down and grab something to eat. Thank you to all of the volunteers who have put up their hand to staff the BBQ!

All volunteers and visitors to the school need a **Work, Health and Safety (WHS)** induction. Please read the attached pamphlet so you are familiar with our WHS procedures.

Olivia Parry  
Deputy Principal

A big hello from **SAKGP**. The kitchen is on culinary fire this week. How could simple carrot and pumpkin soup taste soooo good. Could it be the fresh turmeric and ginger from the garden? There are no corny jokes to be made about the corn fritters as they are seriously delicious. There is a joke however about the mushroom who was offered more food at dinner:

"No thanks", he said, "I don't have mushroom in my stomach."

Not surprisingly there is not much left of this week's menu once students sit down to eat. The eggplant pizza and polenta chips are not known to hang around for long.

The Cape Gooseberries are starting to show some fruit which is exciting. Something sweet to look forward to. Tremendous effort has been made to create pea structures by certain classes and the brassicas are all a go! A while back I wrote about perpetual spinach making its way into the garden as a cutting. It is now in a bed and growing at a fantastic rate.

Don't forget to sign up when you can. Everyone is welcome! It does make a huge difference.  
<https://signup.com/go/n5ciGB>

Enjoy all the political thrills and spills this weekend.

Take care from  
Fiona and Sam

## Health and Safety Induction Briefing Health and Safety Directorate

For your safety and the safety of others, it is a condition of entry to this site that you take a few minutes to read this brochure

### Mandatory site requirements:

- All visitors are required to report to reception on arrival.
- Observe all speed, parking and vehicular restrictions.
