**Friday 28th June 2019**  
**Dates for your Diary**

### June

- Fri 28<sup>th</sup> – KB hosting assembly

### July

- Tue 2<sup>nd</sup> – Stage 3 Robotics Incursion
- Fri 5<sup>th</sup> – Memorial for Michael Jones from 12pm to 1pm
- Fri 5<sup>th</sup> – last day of Term 2
- Tue 23<sup>rd</sup> – first day of Term 3 for students

Dear parents and carers,

**Mr Jones' memorial service will be held on Friday 5<sup>th</sup> July at 12.00pm.** We are still searching for photos of Mr Jones. It would be greatly appreciated if you would take some time over the weekend to look through your albums and send through any that you find to: [bondi.public2019@gmail.com](mailto:bondi.public2019@gmail.com)

The canteen will be available for recess service only on the memorial day. **No lunch orders** will be processed or delivered. If you currently have recurring orders in the system they will be cancelled and your account will not be charged. I would like to encourage families to bring a picnic lunch on the day of the memorial, to share with their children after the service. Sushi will be made available on Thursday 4<sup>th</sup>.

**Our debating teams won their debates at Bellevue Hill Public School** last week. The topics were; 'We should change the date of Australia Day' and 'We should allow contact sports for primary school aged students'. Both were negative teams and although the topics were challenging their arguments remained strong and cohesive. Congratulations to all of our debaters.

There has been a great deal of discussion about the **winter school uniform** recently. The uniform committee is in the process of a review and we are hoping to share this with our community for consultation some time next term. I understand that there are currently limited winter options in the uniform shop so students are able to wear all black outerwear during very cold weather or in the event of rain.

The **Vegemite Sandwich Project** was brought to our attention by the McVay family. We decided to support the project as it is a simple community initiative that our students could get behind and do something for those who are less fortunate and hungry. I was heartened to see mountains of vegemite sandwiches this morning!

We are still having an issue with students who are coming to school before 8.30am. Matt from BASC informed me that many students are turning up before school without a booking. This obviously places pressure on the service as they are limited by ratios. If you leave for work before your children leave for school, please help them to set an alarm that will notify them when they are supposed to walk to school. Some of the students who arrive early are doing so on their own and they aren't aware of how early they are.

I would also like to acknowledge and congratulate **Ali B for his incredible fifth place result at the regional cross country**. He has been selected to represent our region at the state carnival! Well done and best of luck!

Next term we will have **14 students from China spending a week with our Stage 3 students** as part of a study tour program. They will be attending our school as part of an immersion program from 28<sup>th</sup> July – 2<sup>nd</sup> August. If you are interested in hosting one of these students in your home please see the advertisement below:

### Hi from SAKGP

It's been hands on learning in the kitchen and garden in the last few weeks. We have some experiments on the boil with students learning about composting, the survival of the seed and how to build a greenhouse. Down in the kitchen every day is an experiment with ingredients coming together, combining flavours and creating dishes of deliciousness. Sam has also started cracking into the beeswax cloth business. Creating our own environmentally friendly container covers looks like fun!

A big thank you to the kind person who dropped off a couple of bales of hay. I am now just waiting for the horse to arrive! Straw always comes in handy, thank you again as it will tide us over until the end of year. Also thanks from Sam for all the donations of fabric and help with the beeswax.

In regards to donations we are calling out for appropriate containers with lids that can be used to collect food scraps in the classrooms. It is all about composting and if we can do our bit then let's get it on! I am looking at collecting 25 containers that students can put any food scraps in. The theory is that the SRC can deliver the scraps once a day to the compost bins in the garden so we can start making a whole lot of food for the veggies.

So without further ado thank you for all those who help out when you can. Please sign up for SAKGP at <https://signup.com/go/n5ciGB>

Oh one last thing for those die hard mathematicians:

What do you get if you divide the circumference of a pumpkin by its diameter?

Pumpkin Pi

Cheers from Fiona and Sam

ANZ Hot Shots Tennis is the fun way for kids to learn how to play tennis at school. Smaller courts, nets, racquets and low-compression balls make learning easy and gives younger players the chance to serve, rally and score right from the first time they play.

### IMPORTANT POINTS

- Students won't be accepted without enrolment form and payment
- Suitable for all boys and girls in primary school
- Coaches turn up for the tennis classes regardless of the weather conditions
