## Principal's report

Dear Parents and Caregivers

It is with great pride that I write my first newsletter as principal of our wonderful school. I have been warmly welcomed by the staff and students of Bondi Public School. Thank you for my lovely plant which I will nurture and I take as a symbol of new beginnings. I look forward to growing the gains of our fabulous school and collaborating with staff, parents and students to enhance the tremendous programs already in place. I have met a few parents at the gate each afternoon and I'm looking forward to meeting many more in the coming weeks. Thank you for supporting us by ensuring that your children are prepared to start the term well. There are many fantastic opportunities coming up for the students and I look forward to seeing many of you soon.

Warm regards

Natalia Greguric

# A message from our School Captains

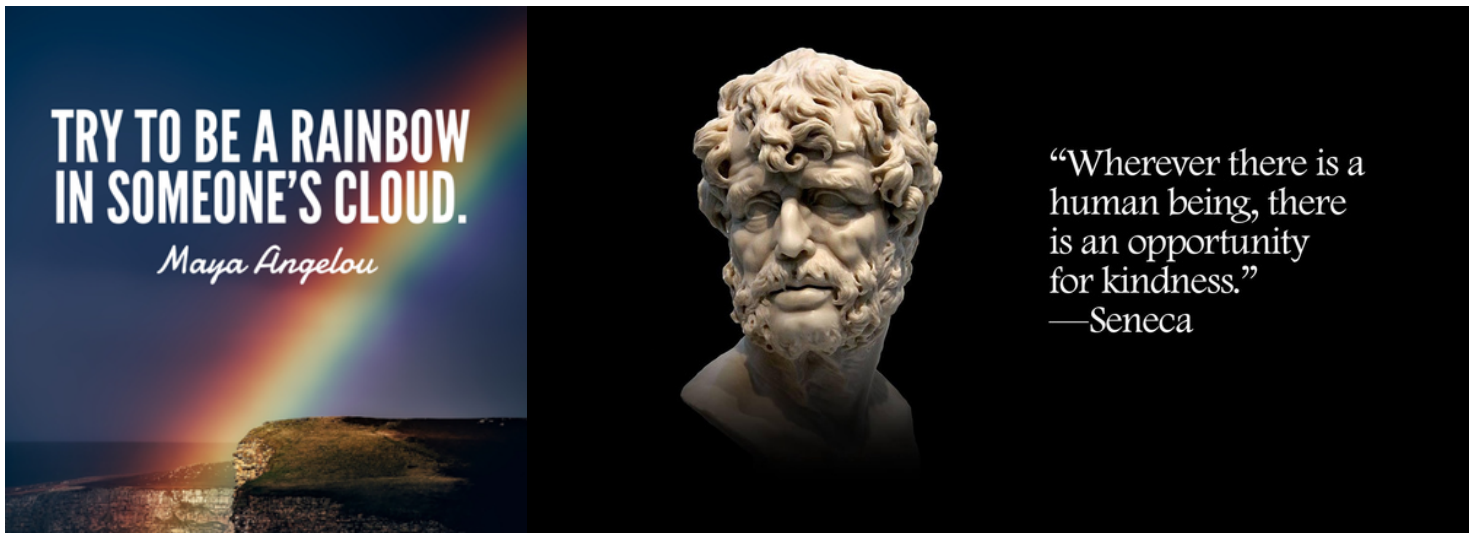

## Kindness

This school year we have been through a lot with COVID forcing us to learn from home. Even though it has been unusual one thing has kept us together - kindness. Our school came together and we all got through it. We were all kind to ourselves and to each other and that made the transition back to school so much easier.

Everyday we see students sitting with someone who is by themselves, helping people when they fall and including others in their games. This school and its teachers are extremely kind and this year on November 13th we encourage you to celebrate World Kindness Day by showing everyone how kind we all are.

Our new Principal Mrs Greguric had her first day on Monday. We would like to say a huge welcome to her and we can't wait to get to know her better this term. If you see her in the playground or around the school make sure to say "hi" so that she feels welcome. We are so excited she's here and we're looking forward to see what she will do for BPS. She is a big believer in World Kindness Day and wants you all to spread smiles and kindness around the school.

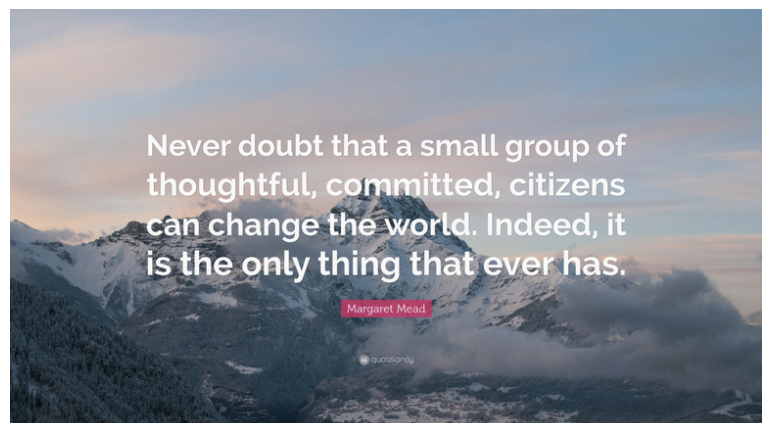

Here are some kindness quotes to make you smile:

Remember that it doesn't take much to be kind! Some ways you can be kind to one another include; give an unexpected gift to a friend, open the door for someone, say good morning to a neighbour, smile, be patient, don't be critical, practice good intentions, be mindful how you treat others, say please and thank you and spread the kindness you receive.

Even one act of kindness can make someone's day. As quoted by Bob Kerrey, "Unexpected kindness is the most powerful, least costly and most underrated agent of human change". So remember to show kindness to everyone you meet, keep a smile on your face and be kind to Mrs Greguric to show her how amazing Bondi PS is.
