Halloween Fete

Dear parents and carers,

We trust you enjoyed our dance extravaganza - "Bring it on, BONDI!" Your children absolutely shone on stage. That is a testament to their hard work, the dedication of their teachers and your support as parents. As you can appreciate, events like this don't just happen. A musical committee was formed and a tremendous amount of goodwill, time and talent has been poured into this dance extravaganza. Each teacher has ensured that their class truly shines on stage. I am in awe of our staff at Bondi and I can hand on heart say they are simply the best! Special thanks to our musical committee, Tracy Murden, Biljana Blanus, Laura Vilensky, Alec Sprague, Therese Martin, Bonny DeMarco, Lauren Wickam, Helenah Sinclair, Delia Tyler, Alex Forbes and Anna O'Connor. The team's attention to detail and commitment to excellence is second to none. With thanks also to our talented backstage crew, Anthony White, Michal Maslanka and Kim Morris and the admin team for organising the ticketing for the events. We look forward to bringing an even better show next year!

Garden Deck update: I'm pleased to say our garden deck will be completed by the end of the week, ready for all to enjoy next term!

Celebrating SASS Week: We are so fortunate to have a dedicated team of School Administrative and Support Staff (SASS) who are committed to their role in delivering the best learning outcomes for our children. Our SASS team includes the wonderful office staff, School Learning Support Officers, and our General Assistant. Thanks to all our SASS team for ALL the important work you do - we are very grateful!

Recruitment update: We have finalised the recruitment for our Assistant Principal Curriculum and Instruction position and I'm pleased to announce that Karen Albronda was the successful applicant. Karen will take on this position in a permanent capacity from the beginning of next year, while she continues to relieve in the position two days per week this year. As a recap here is the role description:

The Assistant Principal, Curriculum and Instruction position is a leadership role dedicated to ensuring literacy and numeracy knowledge and skills are embedded in curriculum and assessment; high quality teaching practices are enhanced; and the capabilities of middle leaders are strengthened in literacy and numeracy instruction. The APC&I provides guidance and high impact professional learning to enhance teacher growth and development in literacy and numeracy. They work alongside teachers, co-planning and co-teaching in a continuous improvement process that seeks to uplift teaching skills and improve student outcomes.

We are still recruiting for a specialist philosophy teacher for the remainder of this year. I will inform you on the progress of this in next term's newsletter.

Thank you for your ongoing support. I hope you and your family have some time for rest and renewal during the upcoming spring school holiday break.

With my very best wishes,

Natalia Greguric

Principal

Deputy's Delivery

Father's and Significant Others' Breaky

What a wonderful event this was, to again bring the community together. There were so many happy faces (and so many crazy socks!) Thank you to our wonderful P & C for co-ordinating such a successful event.

Uniform Update

We are in the final stages of design of our new sports shirt. The samples are due to arrive during the holidays. Early next term we will provide photos and will be asking for the final vote (light blue or teal) from staff, students and community members.

Over the past 3 (COVID interrupted) years, the BPS uniform committee has engaged in a uniform review, involving all stakeholders along the way. We finalised the uniform review with student voice a few weeks ago and are preparing for some items to be added to our uniform and note that a couple of items will be removed. As with all uniform changes in schools, there is a phase out period and as there are no huge changes (other than the sports shirt), we are confident the changeover will be smooth. The P & C run Uniform shop are currently firming up supplier contracts and more communication and visuals around changes will be released next term.

School uniform promotes a sense of belonging for students and creates a positive identity for the school community. School uniforms also contribute to the personal safety of students by allowing easier recognition of students inside the school and in the community.

Please note that students are expected to wear full school uniform and staff will be monitoring this more closely from next term.

Birthday Treats

Kai and the canteen crew have come up with an amazing, healthy and allergy-friendly way for you to provide birthday treats for your child's class if you choose to do so. You can order house-made ice blocks on Flexi Schools. If you choose to send something in from home, please stick to plain popcorn or chopped fruit/fruit sticks. Remember, any sugary/unhealthy items will be returned home.

Thanks for taking all students and family choices into consideration.

Deputy's Delivery

Photos and Videos at School Events

With our recent production "Bring it on, BONDI!" being a perfect opportunity to take beautiful photos and videos of your child, we have found it has also been a little problematic. We ask that when taking photos and/or filming, that you focus only on your own child.

We also ask that staff aren't filmed without permission. We have many students at the school who do not have permission to publish and therefore shouldn't be filmed or photographed. We also ask that you carefully consider what you post on social media in terms of footage of children other than your own. Thanks for your understanding around this.

We were able to secure a film company to film the evening performance of "Bring it on, BONDI!" and early next term we will release a permission to publish for Bring it On BONDI's professionally filmed video, for those students who don't have permission to publish.

Reconciliation Action Plan (R.A.P)

What is a R.A.P?

A Reconciliation Action Plan provides a framework for organisations to be inclusive in their work and contribute to national reconciliation. It is a strategic document with practical plans for action. It sets out how an organisation is committing to contribute to reconciliation with Aboriginal and Torres Strait Islander peoples.

Next term we will be forming a focus group to establish a Reconciliation Action Plan for BPS. We will have staff, students and community members all contributing and ask that we have some parent/carers volunteer to be a part of this process. It is important that we have representation from both indigenous and non-indigenous families. If you would like to be a part of this extremely important focus group, please contact the school with *Attn: Anna O'Connor & Georgia Devenish*.

Deputy's Delivery

Thank you!

Thank you to our community members who have offered kindness and support to our staff and students this term. Thank you also to Natalia for her dedicated, thoughtful leadership and our staff who continue to work extremely hard day in, day out for the benefit of our students.

Term 4 will be here before we know it, with many more wonderful opportunities for our students to look forward to.

Wishing everyone a safe, happy and memorable holiday.

Warm regards

Anna O'Connor

Deputy Principal

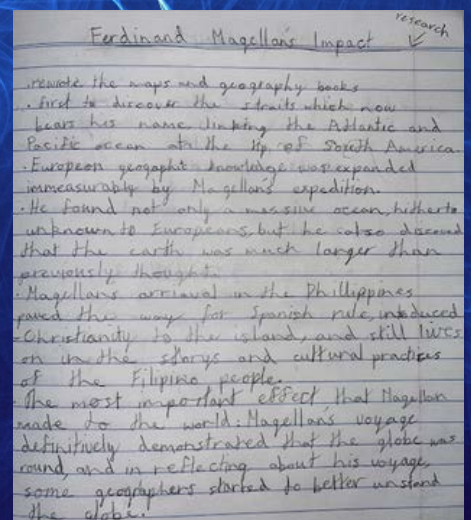

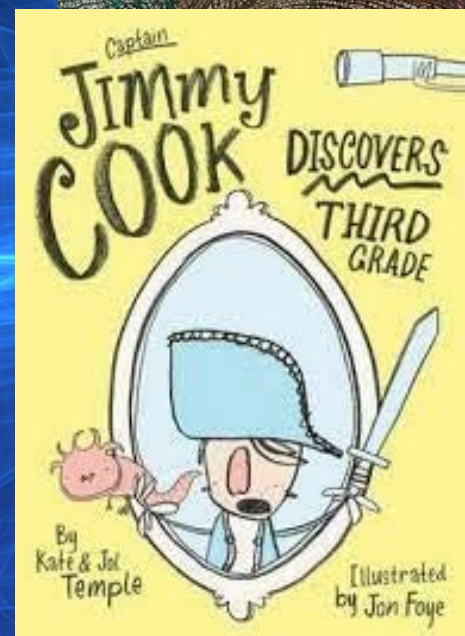

Spotlight on Learning

4H with Mr Christensen (Wk 8)

It has been 'all hands on deck' this term in 4H! Our HSIE and literacy unit, which focuses on 14th-17th Century navigation and exploration has provided many opportunities for the students to read, write, paint and analyse primary and secondary sources from throughout history. The students collaboratively chose a navigator and used their researching and ICT skills to create an information text on their navigator of choice. In the images, we can see the journey that one student took from initial research, all the way to some excellently presented posters.

During reading, we have been focussing on comprehension strategies and understanding the important role that vocabulary plays in our understanding of texts. We have been keenly reading the novel "Jimmy Cook discovers 3rd Grade" and using the wonderful language of authors Kate and Jol Temple to analyse how growing your own personal vocabulary is key to becoming an excellent and critical reader.

In visual art, we have been combining the old with the new. With early navigation and 17th Century England as our stimulus, students have been using a range of techniques and colours to add a modern touch to some older portraits and structures.

Spotlight on Learning

3T with Ms Thomson (Wk 8)

The incredible students of 3T have been sailing full speed ahead this term. They have been discovering and researching the great age of Asian and European exploration and navigation. This past fortnight they have been discovering primary and secondary sources of information for informative writing whilst learning about the way of life in 18th Century England before Australian colonisation.

During visual arts they created Father's Day cards that were out of this world and sketched three-dimensional first fleet ships with precision, focussing on parallel lines and angles.

As part of the speaking and listening curriculum, topic talks have begun. Students have been presenting entertaining persuasive speeches this week involving huge amounts of preparation.

3T have been thoroughly enjoying learning their dance and have been practising to ensure it's ship-shape for "Bring it on, BONDI!" Take a bow 3T you have earned it!

Spotlight on Learning

KD with Miss Devenish

KD has had a *magical* Term 3, exploring fairy tales during writing! Each week, students have read and learnt about a new fairy tale. Together, we discussed the characters, setting, and events of each story including a tricky problem to solve, and the resolution! Some favourites include *Blossom Possum*, *Goldilocks and the Three Bears*, and *Little Red Riding Hood*. Recently, students wrote letters to their favourite fairy tale characters, and posted them in our classroom letters boxes. We are waiting patiently for these characters to write back!

During mathematics, students practised using different materials to measure area. They learnt about the importance of measuring tools being the same size and shape, and needing to fill up the entire surface to accurately measure the area. Students estimated and compared the area of various classroom items.

During visual arts, KD recently began a multimedia art project which will include painting, drawing, and collaging. Last week, students used a variety of brush strokes to create a background for their artworks.

Students have also been working super hard to practise their dance as part of *Bring it on, Bondi!* Before Monday's performance we read the book "*Be Brave Little Penguin*" to help with the butterflies some students could feel in their tummies. We spoke about feeling both nervous *and* excited and how this can be a superpower!

Spotlight on Learning

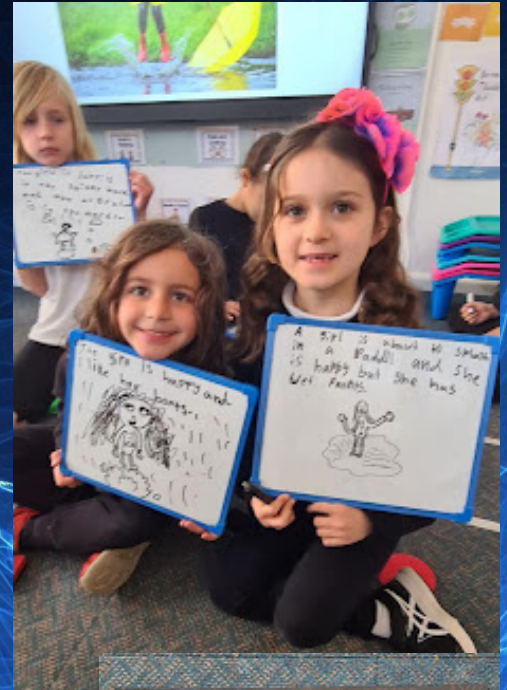

1W with Ms Wickham

1W have had an amazing term becoming explorers as we learnt about caring for Country in HSIE. As part of our geography unit on features of places, we were lucky to head to *Kamay Botany Bay National Park* and explore the local area. 1W learnt about the importance of Country to Aboriginal and Torres Strait Islander peoples and the significance of certain plants and what they are used for. We had a great time identifying natural and built features on our fun excursion.

In visual arts, 1W learnt about the Australian artist Pete Cromer and how he uses 2D shapes, collage and water colours to create different animals. We tapped into our inner artist by following instructions to create birds and jungle cats. We also made them our own by drawing a colourful background.

As part of our 'Sentence a Day' program this term, 1W have been learning how to write compound sentences. It has been fantastic to see students develop their writing skills and always trying their best.

1W have been superstars this term as we got ready to perform in *Bring it on, Bondi!* We danced and sang our hearts out, and thoroughly enjoyed the whole experience. You are amazing 1W!!

Stage 1 Excursion to Kamay Bay National Park

This term in Stage 1, as part of our geography unit, students have been learning about the features of places, how to care for them and the connections that people have to places, including First Nation Peoples. In Week 8, students in Stage 1 were provided with an opportunity to attend an excursion to Kamay Bay National Park, located in La Perouse.

Students boarded buses and arrived at Kamay Bay National Park, where they were greeted with a welcome to country ceremony, with traditional dancing. Students took part in various activities throughout the day that included Aboriginal and Torres Strait Islander games, bush walks and beach activities, which consolidated students' learning of concepts taught in class, throughout the term.

Stage 1 students had a fun-filled day and were able to deepen their understanding of the features of places in our local area. The Stage 1 teachers would like to thank our parent helpers who attended with us, for all their support and assistance throughout the day! We look forward to providing many opportunities in future, for our students to take their learning beyond the four walls of the classroom.

Stage 3 Dance Fever Interschool Challenge

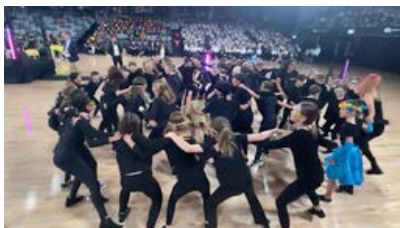

In Week 8, 58 students in Stage 3 participated in the Dance Fever Multischool Challenge at Quay Centre, Sydney Olympic Park. They competed in two partner dances (Cha Cha and Foxtrot) and a group Hip Hop performance, it was such a fun night for all. It was so exciting to see so many students progress to the finals, considering it was our first year competing!

Congratulations to the following students who placed in the top three in the Cha Cha and/or Foxtrot dances:

India (4/5R) and Abigail (4/5R) 1st Year 4 Cha Cha and 1st in Year 4 Foxtrot
Nine (4/5R) and Lily (4/5R) 3rd Year 4 Cha Cha
Zuri (5/6L) and Louie (5/6G) 2nd Year 5 Foxtrot
Viva (5/6M) and Ashton (5/6L) 1st Year 5 Foxtrot
Greer (5/6M) and Suvdaa (5/6M) 3rd Year 6 Cha Cha
Eila (5/6M) and Raimi (5/6M) 1st Year 6 Cha Cha
Kaila (5/6M) and Flynn H (5/6G) 1st Year 6 Foxtrot and 3rd Year 6 Cha Cha

Congratulations to Year 4 and Year 6 who took out overall point score winners for their respective grades - check out the giant trophy! Shout out to Mr Maslanka for his rendition of the 'worm' in the teacher performances, taking home 50 points for our school!

Thank you to all of the families and supporters who assisted in the lead up to the event and for coming to cheer us on, we really appreciated your support! The Stage 3 team were in awe of the commitment and enthusiasm displayed by all students during rehearsals and at the competition. Well done to all! Looking forward to competing again next year!

CELEBRATING SUCCESS

- On the 30th of August, Lulu (3/4W) represented BPS at the Festival of Instrumental Music at the Opera House. The event was organised by NSW Department of Education's Arts Unit and Lulu was selected to perform as part of the string ensemble, playing the violin. It was a spectacular showcase of talented public school students and Lulu represented BPS with courage and pride. Well done, Lulu!
- Last Sunday, Ava L (4H) won a silver medal after competing at the National Jujitsu Championships on the Northern Beaches. She was representing Gracie Barra Bondi. Congratulations, Ava!

- Last weekend the Bondi Pandas took out their division of the ESCPSNA netball. They won the grand final with the score 32-23. Congratulations to Eila, Alice, Lucinda, Isabelle, Ava, Layla, Sylvie and Kaila. Well done!
- Sara Chesterman, one of our long serving parent volunteers has been nominated for the inaugural Kinghorn award by Primary Ethics. We wish her all the best and appreciate her excellent contribution to the ethics program and school.

PSSA SPORT

For the first time in over a decade Bondi Public School participated in the Sydney Coastal PSSA Friday afternoon competitions in both netball and soccer. We had some fantastic results in both competitions as published in the last newsletter. The best part about the entire experience was watching our students have the opportunity to display their talents, work hard to improve, show sportsmanship and resilience and most importantly, have fun!

Student voice is important to us here at Bondi and we have had nothing but positive feedback from those that represented BPS in these sports. 100% of the students that participated in the competitions indicated that they enjoyed being a part of a team and representing our school, which is fantastic and what the spirit of the competition is all about.

As we were not a part of the Term 1 competition, we will not be competing in Term 4 as this is a split competition between the two terms. We will have trials later in the term to select teams in Basketball and Touch Football for Terms 1 and 4 in 2023. In lieu of PSSA, Stages 2 and 3 will be working hard to implement something similar internally that will be a part of our Term 4 sport programs. Stay tuned for an announcement on this, next term.

Captain's Report

Dance Fever

A few weeks ago, some students from Classes 4/5R, 5/6G, 5/6L and 5/6M went to the Quaycentre, Sydney Olympic Park, to compete in the Dance Fever Interschool Challenge. We performed two partner dances, the Cha Cha and FoxTrot. The highlight of the night was our hip hop group performance which all students enjoyed and was so much fun!

Bring it on Bondi

We have loved seeing students enthusiastically participate in the Footsteps dance program. During Term 3, we have had the lovely Hayley teaching each class their own dance routine. On Monday, we had our matinee performance here in the school hall and on Wednesday night we had our big performance at Rose Bay Secondary College. All the parents and carers loved seeing us perform on stage in our costumes. Thank you to everyone who came to watch and support us. Big thanks to our teachers who organised our costumes and the organisation of both performances.

Library News

Book Week Incursions

As part of this year's Book Week celebrations, our Primary students had the opportunity to meet, Oliver Phommavanh, author of highly entertaining children's novels including *Con-Nerd*, *Super Con-Nerd*, *Thai-Riffic*, and his most recent book, *What About Thao?* Students enjoyed hearing about his journey in becoming an author and stand-up comedian, and had the opportunity to ask questions about the writing and publishing process. Students in Kindergarten and Stage One enjoyed a musical performance. 'Story Quest', delivered by the team from *Perform Education*, who showcased titles from the 2022 Children's Book Council of Australia Book of the Year Awards including 'Blue Flower', 'The Boy and the Elephant', and 'Amira's Suitcase'.

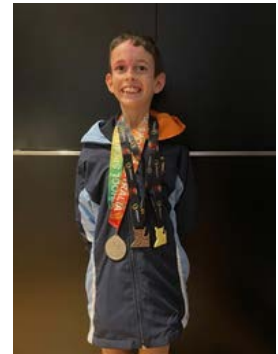

Premier's Reading Challenge

The Premier's Reading Challenge concluded on Friday 19th August, with validations due two weeks ago. Congratulations to all of those students who completed the challenge for 2022. Certificates will be received and distributed at the end of November.

BPS Sports Arena

National Schools Cross Country Championship

Recently, Emerson R (4H) competed at the National Schools Cross Country championship, running in the 2km race. He ran a personal best time in the 10 years multi-class / para boys and was awarded a bronze medal. Emerson also joined two other NSW students to run in a team event where they won gold! Finally, Emerson ran in a relay event with 3 team mates each running 1km and they won silver. What a mammoth effort and what magnificent achievements! Congratulations, Emerson!

Sydney Coastal PSSA Athletics

On Tuesday 23rd August, Bondi Public School students attended the Sydney Coastal PSSA Athletics Carnival at ES Marks in Moore Park. Approximately 50 students attended the event, participating in long jump, shot put, 100m, 200m, 800m, 1500m and relay events. We could not have been more proud of the individual and team performances throughout the day, particularly when the weather turned from blue-sky to driving rain.

Congratulations to all students, and to Ziggy A, Asher L and Milo L for placing in the top 3 in their individual events.

We would once again like to extend our thanks to the parents and carers who attended the event to support our students.

P&C News

Fete

With less than 6 weeks to go until our spooktacular Halloween fete, we hope you are all starting to get excited. Make sure you have Sunday 30th October in your diaries, it's going to be the most fun day of the year!

Today we are pleased to announce the launch of both the [fete website](#) AND a [P&C Facebook page](#). To celebrate, we will be having a super early bird sale on our unlimited rides tickets. This year we have all new and improved rides and we have something for everyone – a junior Jumping Castle, the wicked Windjammer flying chairs, the terrifying Turbo Tubs, the nightmarish Ninja Run obstacle course and, for the bigger kids and kids-at-heart, the ghastly game of elimination – the Meltdown!

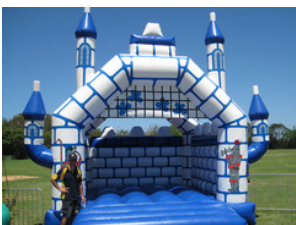

Not to be missed! Special early bird sale for the petrifying price of \$35 will get you unlimited rides for the day.

Early bird prices are only available until Sunday, 9th October (the last day of the school holidays). On the first day of Term 4, the price of the unlimited rides wristband will increase to \$40 if purchased via the website and then \$45 at the ticket booth on the day, so we recommend getting in early!

But that's not all...

You will also be able to pre-purchase tickets for the Vampire Lounge Bite Club disco, the Mad Science Slime Experiment, and more. And of course, you can also purchase Raffle tickets to win a variety of prizes worth more than \$5000!!

Buy your tickets at bondifete.com and like us on Facebook [@BondiPublicPandC](#) to get a sneaky peek of some of the spine-chilling stalls.

School Discount at Milkrun

Milkrun has kindly offered a discount code for Bondi Public School families. Use code 'BONDIPS' for 25% off your first order.

MILKRUN

Terms & Conditions - Offer valid for new customers only. Minimum spend \$30. Excludes fees and alcohol products. Cannot be used with any other offer. Alcohol available to 18+ only. Drink responsibly. Offer ends 15/11/2022.

Charity Status Approved

The Bondi Public P&C is pleased to announce that we have been granted Charity Status, meaning that we'll be able to accept donations to a building fund that are tax-deductible, as well as apply for a greater range of grants. This was due to the incredible efforts of Kath Horner, who has spent many hours of hard work on the audits and application, THANK YOU KATH!

Canteen - No More Plastic Cups

Kai, our canteen manager, is on a mission to make the canteen more green so we are very proud that she has recently been able to eliminate plastic / bioplastic cups for all the drinks, yoghurt, fruit salad and veggie sticks.

The canteen is now using paper coffee cups from I Am Not Paper. Their coffee cups are not only plastic free (with a non-plastic lining inside the cup) but they are actually made out of plant fibre like wheat, corn, grass, sugarcane instead of tree paper, which is a big deal.

The lids are made out of plant pulp which means that cups and lids both are totally home compostable! As a bonus, that means there are no more STRAWS as well!

If you are using coffee cups in your business, Kai highly recommends these cups. No more expensive than regular cups, good quality, from a local small business - it feels good and is a better choice for our planet. Please email Kai if you would like to find out more details:

canteenbondi@gmail.com

Father's Day

The Father's Day breakfast was a big success so a HUGE thank you to everyone that came along, and especially those that gave up their time to help make it the day it was. Congratulations to our donut-eating champion Ewen Frith (and Imogen and Jasper). Not only did we raise funds for the school, but it was fantastic to get together as a community and have some FUN.

The P+C would really appreciate any feedback you have to continue making these community events better each year. Please take a moment to complete the very short feedback survey at <https://forms.gle/wCVBKLeg6d9S9Qys6>.

SASS

This week is School Administrative and Support Staff Recognition Week, a time to acknowledge and thank the often unsung heroes at our school. The work that the administrative and support staff do behind the scenes often goes unnoticed but is invaluable. Please join us in thanking all the support and admin staff this week. Not all heroes wear capes!

Snippets

KINDERGARTEN AND NEW ENROLMENTS 2023

Do you have a child turning five years of age before 31 July 2023 who will be ready to start school next year? We are busy at the moment enrolling students from our local intake area for 2023.

School Tours: Our school tours take place on a fortnightly basis during Term 4. They provide an excellent opportunity for prospective parents and students to observe our school in action. Bookings can be made through the school office.

Enrolment: Our enrolment officer can be contacted on 02 9130 6998 and will be happy to assist with any enquiries regarding your child's enrolment. Our new online enrolment process makes it easier and faster to enrol your child at your local school. [Enrolment - Bondi Public School](#)

As outlined in the department's enrolment policy, our school may accept enrolments from outside our local enrolment area if places are available. We will assess applications for non-local enrolment on a case-by-case basis.

Transition programs: Starting school is a big milestone for children and their families. The transition between learning environments can be both challenging and exciting. We have three dates for children and their families to attend our Transition Program. Wednesday 19th October, Wednesday 26th October and Wednesday 2nd November.

We are looking forward to welcoming new children and families to our school.

BONDI PUBLIC SCHOOL
