Principal's Post

Dear parents and carers,

We are already half way through the term and classes are working diligently across the school. Our extra curricular programs are getting underway too. A lot of planning goes into making sure these events run smoothly, which is above and beyond teaching and learning in the classroom. We are very fortunate at Bondi PS to have a dedicated teaching staff who are supported by the administrative staff to ensure our students have the best possible opportunities.

Activities that are up and running or in the process of getting started are junior and senior choir, planeteers, SRC, and PSSA sport for students in 3-6. Our Stage 3 students had a wonderful time at camp and represented our school with pride in Canberra. Special thanks to the following staff who willingly gave their time to care for our students: Miss Alba, Miss Pattison, Miss Leckie, Mr Gamblen, Mr Christensen, Mr Maslanka and Miss O'Connor.

Staffing News

Ms Jasmine Moredoundt has gained a position as a classroom teacher at South Coogee Public School beginning next week.

We thank Jasmine for her service to students, staff and community at BPS. Ms Kelsey Harris will be fulfilling Jasmine's role beginning next week.

BONDI BULLETIN

Finally, you are warmly invited to attend our Cyber Safety Parent Information. The P&C meeting will be held directly afterwards in the school library.

Details are as follows:

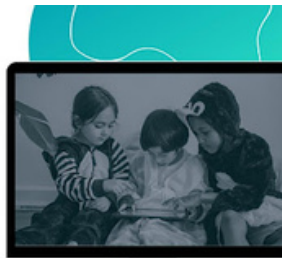

When: Wednesday 8th March - 6-7pm in the School hall

The link to the Eventbrite page can be accessed below:

<https://bit.ly/bondips-ps>

Cyber Safety
Education Session
For Parents

Parent Information Session - Bondi Public School

Join us for this engaging & practical education session, delivered by Australia's leading cyber safety experts.

Protecting children in their digital worlds is an ever-evolving task for Australian families. Now more than ever parents are looking for guidance in how to manage screen time and navigate the world of games and social media.

We are therefore pleased to help our parent community by offering a crucial and engaging education session with ySafe, Australia's leading provider of cyber safety education. This practical, strategy-rich session will cover the most important points that all families need to know about online safety, covering key information about social media and gaming, screen time recommendations and step-by-step instructions on how to set up a cyber safe home for children of all ages.

If you've ever struggled with getting your children off their games and into bed, worried about the content of the games that they are playing or felt concerned that your child was spending too much time in the digital world, this workshop is for you!

We look forward to seeing you there!

With my very best wishes,

Natalia Greguric

Principal

Deputy's Delivery

Kindergarten Reading Information Evening

We are very excited to be hosting an information evening for Kindergarten 2023 parents around supporting our children in the area of reading. It's the first in a few years, following Covid restrictions! The evening is on this coming **Monday March 6 from 5:00-5:45pm**. We urge all Kindy parents to attend as we know the educational outcomes for students are enhanced when schools work in partnership with families. Thanks to Mr White and the Kindergarten team for facilitating this session for the benefit of our students.

New "Meet our Staff" Newsletter Section

This week we introduce a new section in our newsletter to allow our community to get to know our staff, their roles and put faces to the names parents and carers have probably heard many times! Mrs Greguric and I thought we'd get the ball rolling this fortnight...

Have a wonderful fortnight ahead. Be kind to yourselves and each other...

Kind regards

Anna O'Connor

Deputy Principal

Meet our Staff!

MISS ANNA O'CONNOR

Role: Deputy Principal

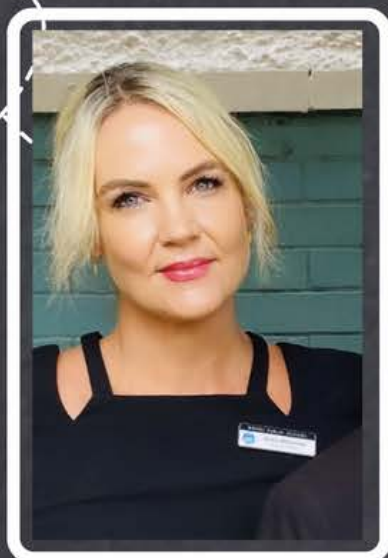

Time @ BPS: 2+ years

Outside Interests: Design, sports, music & anything creative!

Favourite Food: Middle Eastern cuisine

Favourite Children's Author: Bronwyn Bancroft

Fun Fact: I grew up on the Far North Coast of NSW, on a sugar cane farm. I moved to Sydney when I was 21 to pursue my career in teaching at Clovelly Public School.

MRS NATALIA GREGURIC

Role: Principal

Time @ BPS: 2.5 years

Outside Interests: Bush walking & theatre

Favourite Food: Seafood

Favourite Children's Author: Pamela Allen

Fun Fact: I speak and write fluently in Croatian.

Spotlight on Learning

3T with Ms Thomson

The 3T dream team has been diving in across all of our Key Learning Areas and has had a wonderful and exciting start to the year. Our literacy focus has been exploring the theme of "community and home to many", in which the students created hands with their own cultural backgrounds and influences to demonstrate Australia's multicultural history.

We have been hard at work writing "persuasions", with fun topics such as 'Homework Should Be Banned' and "Saving the Oceans". We have been focusing on our skill development of using different techniques such as high modality, as well as persuasive devices such as repetition, exaggeration, alliteration and emotional language that authors use to engage and persuade the reader.

In maths, one of our focus areas has been 2D space. We have been learning about special quadrilaterals, tessellation, transitions, parallel lines and symmetry, in which the students were able to explore tessellation with 2

D shapes and the idea of symmetry in their butterfly artworks.

We also had a really awesome day dressing up as teachers, and you'll probably agree with me that Freddy nailed it being Ms T for the day.

Keep it up 3T, here's to a great year!

Spotlight on Learning

KD with Miss Devenish

Wow! What a fantastic start to school KD has had! It has been an eventful first few weeks, filled with learning, new routines, and some wonderful memories already.

A highlight of this time has been KD's first garden lessons, where students enjoyed watering plants, searching for ripe tomatoes, and admiring the small creatures (such as ladybugs!) which live among the plants. Each class member showed patience, teamwork, and curiosity, demonstrated through their questions, ideas, and care for the natural space.

Students were introduced to the schools 'Grow Your Mind' program, as they met the 5 animal characters which help us understand different feelings and parts of our brain. During these lessons, KD spoke about how different times might require different animals to 'wake up', and how we can calm down other animals when big feelings arise. We have been using 'anchor breathing' to practise connecting with feelings, and calming our minds.

KD has participated in a range of literacy and numeracy activities during the first few weeks. They have practised ordinal numbers by joining in on a "KD race day" where the class labelled winners *first, second, and third*. Students have also used fine motor skills during maths rotations. Some favourite activities include 'number beading', practising number formation in 'magic rice', and counting using 10 frames!

During phonics/phonemic awareness lessons, KD has been learning to identify sounds, recognise letters and match them to their sounds. Students have begun to segment and decode words to support their reading and writing. It has also been wonderful to see KD students gaining confidence, and applying these skills when reading in small groups.

Captains Report

Planeteers

This week and in the coming weeks there will be Planeteer elections in every class. Those who would like to go for Planeteer should be preparing their speeches to present to their classes. Good luck to all of those who are going for Planeteer.

Teacher dress up day

Recently we had our teacher dress up day where teachers dressed up as students and students dressed up as teachers. We really enjoyed seeing everybody's amazing costumes and hope everyone who dressed up had fun!

Student Representative Council

This week and last week we nominated the SRC's. Congratulations to the students who received this role. Being an SRC is a big responsibility and it includes spending your playtime on Monday attending the SRC meetings.

PSSA

Congratulations to everybody who made the PSSA teams junior and senior basketball and touch teams. Both the basketball and the touch teams are doing extremely well. I know everybody is trying their hardest and all have great sportsmanship.

Thank You, Your school captains - Daisy, Teiki, Josh.S and Josh.G

Stage 3 Camp

Students from Stage 3 ventured to Canberra during Week 5 on an educational tour of the nation's capital. They had the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy as well as enhance their social and personal skills.

During the camp, our students visited various historical and political sites such as the Australian War Memorial, Parliament House, Old Parliament House (Museum of Australian Democracy), the National Gallery of Australia and of course Questacon, just to name a few. They had the opportunity to participate in various educational activities such as workshops and guided tours, which gave them a firsthand experience of the Australian government and its institutions.

Apart from the educational aspect, the camp was a fantastic opportunity for our students to develop their social and personal skills. They stayed in cabins with their classmates, shared meals, and participated in team-building activities at some of the locations we visited like the Arboretum. These activities taught them valuable skills such as communication, leadership, and problem-solving.

The camp was an enriching and rewarding experience for our students and enhanced their understanding of the world around them. The Australian Government recognises the importance of all young Australians being able to visit the national capital as a part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government contributed funding of \$ 30 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate was paid directly to the school and was discounted from the price of the excursion.

Thank you to the Stage 3 team and supporting teachers, Miss Pattison, Ms O'Connor and Miss Perez for all your planning and preparation leading up to the camp as well as the support you gave our students whilst away on camp.

BPS Sports Arena

School Swimming Carnival

Congratulations to all the students who took part in the swimming carnival in Week 3. We had lots of feedback from teachers and parents consisting of great school spirit and sportsmanship! This included encouragement to their peers, enthusiastic house chants and applause, as well as students congratulating one another on their efforts and achievements. Students and staff had a wonderful day working together to ensure happiness and successes throughout the entirety of the day. Thank you to all involved to ensure our day ran smoothly!

Zone Swimming Carnival

Our first Zone Swimming Carnival in two years was held on Wednesday 1st March, and what a successful one it was! Congratulations to all the students who qualified for zone this year and a huge thank you to the parents who came along to support the swimmers. It was a day filled with smiles, perseverance and a whole lot of sunscreen and healthy snacks. Students represented Bondi Public School with pride and we are incredibly proud of each of them for their sportsmanship and camaraderie. Well done Asher L and Amelie D for qualifying in several events, and who will go on to compete at the Sydney East PSSA carnival which will be held at Sydney Olympic Park Aquatic Centre later this month. We wish you all the best and know you will do BPS proud.

Miss Sinclair, Miss Leckie and Mrs Richardson

Celebrating Success

On Saturday 25th February, the Year 6 Bondi Bunnies have just finished the Bondi Netball summer competition at Waverley and they came runners up in the U11 Division A's.

Congratulations to Pepper, Indi, Jessica, Lexi T, Zuri, Queenie, Ellul, Lexi W and Daisy (not pictured).

Grow Your Mind

Introducing Grow Your Mind:

Our school has started using a program that promotes whole school flourishing called Grow Your Mind. During our first session we explored all the ways we look after our physical health daily. Brushing our teeth, eating fruit and vegetables, drinking water etc. Then we explored how we look after our minds on a daily basis. This was harder to do initially! Children were then asked to point to their toes, their heart, their prefrontal cortex...! And so the journey has begun of brain awareness. Listen out for your child talking about shrinking their Guard Dog, or growing their Wise Owl, their Elephant and their Sifting Sooty.

Grow Your Mind mental health tip #1:

To shrink your Guard Dog (aka your amygdala):

1. Take 3 anchor breaths
2. Try finger breathing
3. Think of one thing or person you are thankful for

Looking after your mind:

3. Gratitude journal to protect my mind....?

Gratitude what? It doesn't have to be a journal. Just spending 1 minute a day thinking of the good things you have in your life is enough to start building up your resilience for whatever life throws you. So how do you grow gratitude? Tips: 1. Start a class gratitude jar 2. Keep a gratitude journal at home 3. Try mindful eating, savouring each mouthful and appreciating where it has come from 4. Start thanking the people who treat you well Why?

Scientists have studied what makes people happy and what makes them bounce back after hard times. The common theme: gratitude. Which as we discussed in all of our classes this week, is a fancy word for being thankful.

Dear Families,

At Bondi P.S we value the importance of enhancing students' learning through real-life, hands-on experiences. On Tuesday the 14th March we are excited to celebrate the International Day of Mathematics. Teachers are busy planning some additional learning experiences that highlight the use of mathematics in sport, art, board games and so much more.

As part of the festivities, we encourage students to come dressed for the 2023 theme: 'Mathematics for Everyone'. We encourage students to see that mathematics is indeed used by everyone, for everyone. So let's dress up as a chef, builder, astrologist, artist, doctor, nurse, teacher or even a famous sports player or musician to show how Bondi P.S can embrace a love and appreciation for living in a world immersed in the rich application of mathematics!

P&C News

Welcome to 2023 and Happy Lunar New Year!

Thankyou so much to everyone who attended the Lunar New Year BBQ, it was lovely to see the school together celebrating on what was a glorious evening in Bondi.

A huge thankyou to our sponsors - Woolworths Metro Bondi Rd, Allcott Hire Alexandria, Fruitologist, Icebergs Dining Room & Bar and Lucas Meats.

SPECIAL THANKS TO OUR SUPPORTERS!

Allcott Hire
ALEXANDRIA

ICEBERGS
DINING ROOM AND BAR

Another huge thankyou to our wonderful events team and the volunteers who made all of this possible. We so appreciate all the hard work so that our community could come together to celebrate the new year.

Term 1 P&C Meeting - March 8th

Looking forward to seeing you all at the first P&C meeting for 2023 on March 8th from 7pm in the school library. The meeting is a wonderful chance to find out what is happening in the school as well as meet lots of other parents with updates not only from the P&C but also the school executive. This term Ms Albronda will be providing us with an update on NAPLAN.

For those not attending the cyber safety talk that is happening at 6pm in the hall, we'll be putting on some wine and nibbles at 6.30pm in the library, with the meeting starting at 7pm.

Please RSVP here

<https://docs.google.com/forms/d/e/1FAIpQLSfutNijgEV9ziRUrsMlVyEYoA4W4HPa3Cr9gpgbh2GzmGLLVA/viewform>

Dates for the Diary

Election Day on Saturday March 25th - whether you're voting on the day or not, come get your democracy sausage and support the school.

Mother's Day Breakfast - Friday May 12th before school. More details to come closer to the date!

Class WhatsApp Groups

If you haven't already joined your class WhatsApp group but would still like to, please fill out the form at the below link and we will ensure you are added. Remember that the number you give us, needs to be connected to your WhatsApp.

New Uniform Update & Back to School Vouchers

The new uniform is now being worn by students throughout the school and it's very exciting to see! Thank you to everyone who has been patient and understanding as we work with all of you through this process.

To note:

- Sports shirts have been restocked and any backorders are being sent to your child's classroom. If you haven't yet purchased yours, you can do so online now.
- A partial delivery of short sleeve polos has been received and backorders are being sent to your child's classroom. We will receive more stock in the coming weeks.
- Skorts are due in approximately 2 weeks
- Outstanding pre-orders will be notified once they arrive and then packed and sent to your child's classroom.
- Now stocking adult size X small and adult size small in Sports shirts and size 18 in short sleeve polo shirts.
- Second hand uniforms/ donations (old uniform) can be dropped off at the uniform shop or the office.

Uniform Shop Hours

8.45 – 9.15 am on Monday, Wednesday and Friday.

Order Online via the P&C website bondipublicpandc.com

Online orders will be delivered directly to your child's classroom.

Call Out for Volunteers - Election Day BBQ

Please use this link to sign up if you're able to come and sling a sausage on Election Day or any other day as well!

<https://bondipublicpandc.com/pages/volunteering>

If Election Day isn't your thing, there are countless options to volunteer and we can utilise any skill level!

- Uniform Shop - packing orders and serving; Mon, Wed, Fri 8.45 - 9.15am
- Canteen - help with food prep, no skills necessary; Mon - Fri 9am - 2pm (for any amount of time that you can spare)
- Anything else you may think of, reach out and get in touch!

See you next week!

Rachel, Kate, Kellie, Judii & Candace

We are excited to announce our school will be transitioning to an upgraded School Bytes finance system on 21 March 2023!

In preparation for the transition to a simplified finance system for both you and the school, we will be required to implement a short payment lockout period where we will not be able to receive any online or EFTPOS payments.

What this means for you

- No payments can be made online or via EFTPOS from 4pm, Wednesday 15th March 2023 to 6am on Tuesday, 21st March 2023.
- Any existing payment links that have been sent to you previously in emails can still be used after the transition and will automatically redirect to the new system
- After the transition, a School Bytes portal will be available for you to register and begin using (Link: <https://portal.schoolbytes.education>)
- All previous payments made will be migrated to the new School Bytes finance system and portal

What is the School Bytes portal

The School Bytes portal provides flexibility for you to conveniently:

- Make school payments online (including paying for multiple siblings at once)
- Use a family credit to pay for an activity or school contributions
- Download a receipt for payments made
- View all historical payments in one place
- Complete and submit digital permission notes
- View the status of all permission notes
- Request a refund if required

This can be done where you want at any time: day or night.

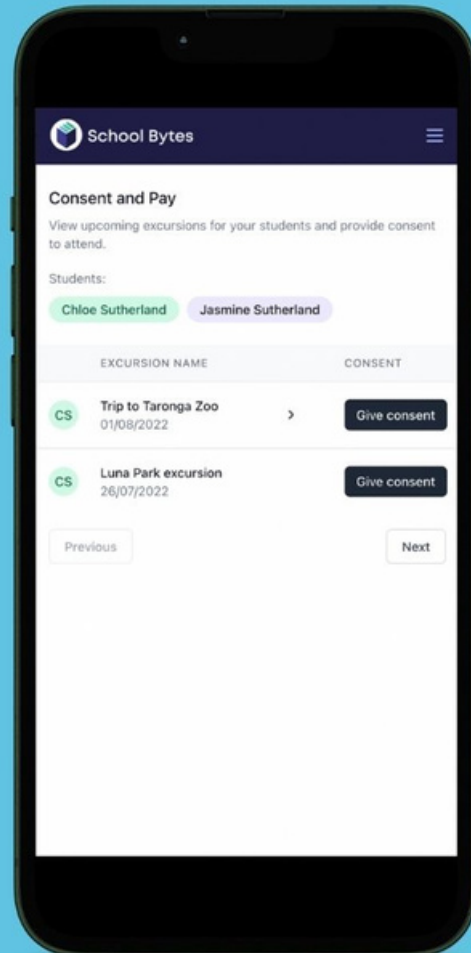

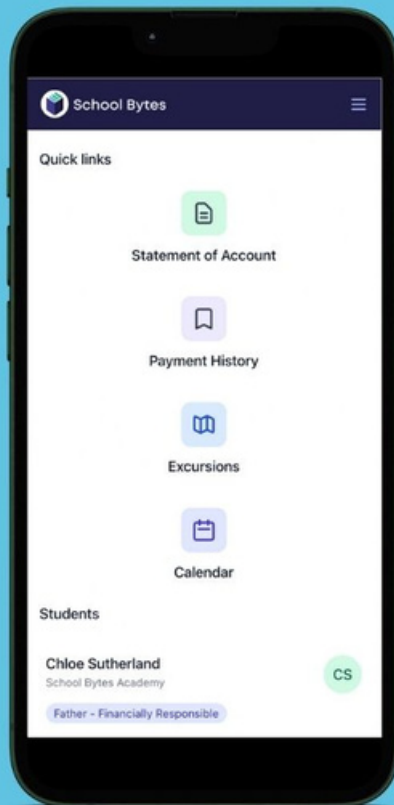

Through the portal, you will easily be able to download a receipt once a payment has been made and have access to view all historical payments when needed. Online payments are processed in real-time and can be viewed by school staff immediately.

While our preference is for payments to be made via the portal, we will still accept payment via cash, cheque, money order and EFTPOS.

AVAILABLE NOW!

We are excited to announce our school will be transitioning to a more flexible and simplified way parent/carers can make payments

The Parent Portal

- Easily make a payment online
- Download your receipt
- Sign and return permission notes digitally
- Use any credits on your account to make payment
- View your complete payment history
- Request a refund

School Bytes

AVAILABLE DURING

TERM 1

Register for the Parent Portal via the QR Code or visit

CHESS!!

Learn to be a chess champion! Coaching for students at Bondi Public School is held on Mondays from 1:15pm to 2:00pm, starting on 6 February 2023.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email enrol@sydneyacademyofchess.com.au for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

OPEN NIGHT 2023

Tue 21 MARCH 23

3:30pm - 5:30pm
