## Principal's Post

### Dates for your Diary

**Wednesday 27th November**  
P&C meeting & AGM 6.30pm

**Wednesday 11th December**  
K-6 Presentation day

**Thursday 12th December**  
Gateways Senior

**Friday 13th December**  
Gateways Junior

**Wednesday 18th December**  
Students' final day of school

**Thursday 6th February 2025**  
First day Term 1 for all students  
and  
Swimming carnival Years 3 - 6  
and competitors in Year 2

Dear parents and carers,

We recently celebrated School Counsellor and School Psychologist Recognition Day. This year's theme, 'Little Moments, Lasting Change', reflects the significant impact our school counselling service makes in strengthening our students' wellbeing and development. We are so fortunate to have the wealth of expertise from Monica Pinkus and Mary Curtis who serve our community with pride. We are grateful for their skills, dedication and professionalism.

Every day our school counsellors and school psychologists provide critical moments of listening, understanding and connection. These important specialist staff counsel students; assess those with specific wellbeing and learning needs; and collaborate with support networks both inside and outside of schools to support students' social, emotional and academic development.

"HOW DO WE CHANGE THE  
WORLD? ONE RANDOM ACT OF  
KINDNESS AT A TIME."

- MORGAN FREEMAN

## CCTV Cameras

Our school has had CCTV cameras installed for many years to support the wellbeing of students and all on site. The cameras are accompanied by clearly marked signage on the buildings. These cameras are currently facing the staff car park, front gate, basketball court and handball court capturing playground areas and adjacent buildings and amenities.

CCTV cameras support safety and if needed, further assessment and understanding of incidents involving anyone on site.

Privacy laws apply to CCTV files and their access. Further information may be found at [CCTV - use of closed circuit cameras](#). All files are held on secure and encrypted Department drives. If you have any questions about the use of CCTV footage, you are welcome to contact me via the school email address [bondi-p.school@det.nsw.edu.au](mailto:bondi-p.school@det.nsw.edu.au)

## Opportunity Class and Selective High School Applications

Is your child currently in Year 3 or Year 5?

Learn more about going to a selective high school or opportunity class.

We

## Selective high schools and opportunity classes

Apply now if your child is in **Year 3** for entry into an **opportunity class**, or **Year 5** for entry into a **selective high school**, in 2026.

Applications close 21 February 2025

# Deputy's Delivery

Dear parents and carers,

How the term is flying! It's hard to believe that we have already come to the end of Week 6. Our kids are continuing to thrive, aiming high in their learning and we have many wonderful events, activities and initiatives happening for our students.

## Remembrance Day

I was extremely proud to accompany our school captains to the local Remembrance Day service last week. The grey sky seemed fitting as they stood tall in their uniforms, respectfully reflecting on the meaning of Remembrance Day and listening to the moving speeches, Last Post and choral tributes. These moments, are always important in shaping understanding of service, sacrifice, and gratitude. You can read all about the amazing SRC Remembrance Day initiatives further down the newsletter.

## Staffing Update

Congratulations to Miss Georgia Devenish who will be next year joining the Orange Grove Public School team. Georgia has been such an asset to our school, with her dedication to teaching for 3 years on the Kindy team as well as leading the First Nations Committee, including many new initiatives and opportunities for our students who are Aboriginal. We will miss Georgia, but wish her the very best as she embarks on her next adventure (which is much closer to home for her!) Thank you, Georgia!

We are very excited to be welcoming Mrs Richardson and Ms Martin back from leave in 2025.

**Shoes for 2025**

As we head towards the end of the year, we know that soon families will be starting to think about purchasing school shoes for 2025. Just a reminder that all shoes and laces should be **plain black** please. This applies to both sports shoes and non-sports shoes. The great thing is that with our shoes being all black all of the time, they are interchangeable ie. sport shoes can be worn on non-sports days if they are more comfortable than leather shoes. Thank you for supporting our goal of having all students looking and feeling part of the Bondi team!

**Swimming Carnival 2025**

Thank you to our wonderful community for keeping up to date with our school calendar on SchoolBytes. Many of you will have noticed with the change of our students' start date, our swimming carnival now falls on the **first day back** at school (Thursday February, 6). We will send out permission notes with more information by the end of this term. A reminder that all students in Years 3-6 are expected to attend. Students in Year 2, who turn 8 in 2025 and will be competing in the 50m events, will also be invited to attend.

I look forward to touching base again soon. Have a wonderful end to the term!

Kind regards,

**Deputy Principal**

# Library News

## Library Stocktake

It has been so wonderful to see students borrowing books each week and getting to explore imaginary worlds created by a huge range of Australian and international authors. Our non-fiction section has also been very popular, with books about sport and dinosaurs proving to be a favourite.

A massive thank you to those families who borrow, read and return in a timely manner, allowing other students to have a chance to borrow popular and sought after books!

It is getting close to that time of the year where all the books in the library need to be accounted for. As such, all borrowing has finished for the year and the great book hunt begins! Next week, a report will be printed off with books that have been signed out against your child's name and a paper reminder will be sent home with the students. Please send the books in with your child. **They can return books to the library on any day of the week, and do not have to wait for their library day to do so.**

If you are having trouble locating a book, please get in touch via the school's email.

Mr White

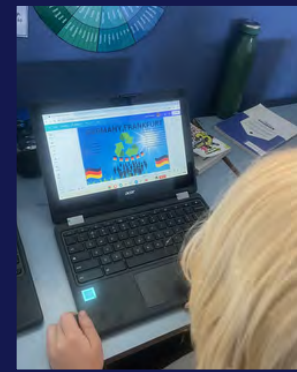

# Spotlight on Learning

## 3R with Mr Nathan Rowe

This term in 3R, we've explored exciting topics across all subjects! In visual arts, students created optical illusions inspired by M.C. Escher, using line, shape, and shading to produce striking 'Op Art.' This complemented our mathematics unit on 3D objects, where students identified prisms and pyramids through hands-on activities and discovered how different shapes form incredible illusions. They also worked on addition and subtraction algorithms and solved money problems involving change.

In geography, we've focused on sustainability, researching how people and communities worldwide care for the environment. Using Canva, students presented their findings on leading sustainable countries, highlighting their research and digital skills. In literacy, students have planned, drafted, and published narrative stories using picture prompts. By following the 'narrative mountain', they developed detailed characters and settings, incorporating figurative language, descriptive adjectives, and dialogue to bring their ideas to life.

Many students have shown outstanding effort and commitment throughout the year, earning their well-deserved Gold Awards—a wonderful way to celebrate their hard work and achievements!

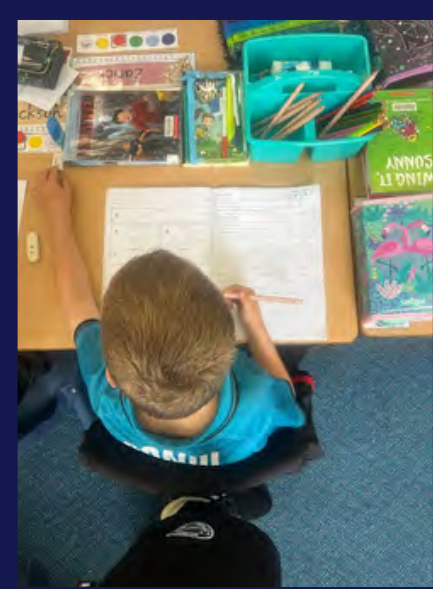

# Spotlight on Learning

## 2M with Mr Mitchell Suey

This term in 2M, we have been working hard in and out of the classroom. In Personal Development and Health (PDH) we have focused on how each of us can be a person of benefit. This has inspired students to be thinking about how we can build others up that are around us. During the session, students took a moment to share a time in 2M when someone had "filled their bucket" by showing kindness. It was wonderful to see so many beautiful examples of generosity and compassion to reflect on and feel proud of.

In Literacy, 2M has been focusing on writing persuasive texts about the importance of trees. The students have been using the OREO structure (Opinion, Reason, Explanation, Opinion Restated/Call to Action) to help organise their ideas clearly and effectively. To ensure our arguments were compelling, we added specialised vocabulary, high-modality words, and rhetorical questions. The students worked hard to create persuasive texts that not only showcased their writing skills but also emphasised the critical role trees play.

# Spotlight on Learning

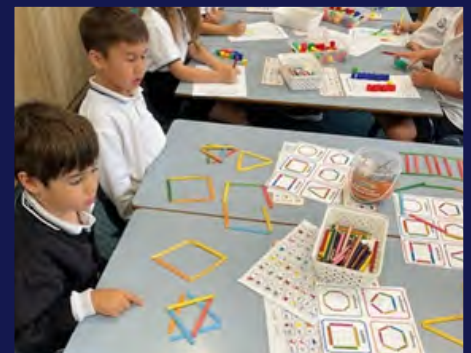

## KO with Mr Eoghan O'Muirgheasa

What a busy few weeks we have been having in KO! With gymnastics, kitchen, garden, our excursion to the Botanical Gardens and all the learning we have been doing in class, the children have been making great progress and having lots of fun along the way

During our English lessons, we have been working on creating compound sentences, using adjectives and writing interesting stories. This week we have been using the story 'Koala Lou' by Mem Fox and 'Nannie Loves' by Kylie Dunstan to inspire our writing. The children have loved writing their compound sentences and reading them out to the class.

During our mathematic lessons, we have been learning different strategies for addition and subtraction. We have used our 'Friends of 10' strategy, concrete materials and number lines too. The children have been collecting and representing data and answering questions based on the graphs. We loved tallying our favourite smoothie during our kitchen session. We have also been investigating 2D shapes. We were naming them, making them and using them to create pictures with some interesting results.

# Around the Grounds

## Seasons for Growth and Aussie Optimism

We have had a wonderful year, successfully completing 2 rounds of both the 'Seasons for Growth' wellbeing program and 'Aussie Optimism' social life skills program at BPS.

Some Early Stage 1 students participated in the 'Seasons for Growth' program this term and last term and learnt about change, loss and how to process emotions.

When asked what they liked about the program the

- "I liked it when we danced."
- "It was so fun."
- "I liked my medal and I liked the class."

Some Year 3 students participated in the 'Aussie Optimism' program this term and last term and learnt about emotional and social skills, how to recognise 'body clues' for different feelings and a range of coping strategies. When asked what they liked about the program and what they learnt they reported:

- "It was fun. I learnt about empathy."
- "It's good to understand feelings."
- "I learnt that other people have feelings too."
- "To be sad when I needed to be."

# Around the Grounds

## Debating

Our brave debating teams embarked on their final round of competition, heading off to debate against Glenmore Road at the hosting school of Woollahra Public.

The A team were up first, this round assigned to the negative team for the topic "We should stop selling bottled water." The team put on an absolutely decisive win, with an incredible amount of preparation put into the debate by all 6 team members including Winnie, Atticus and Archie, and powerhouse performances by all three speakers Freja, Neve, and Wren.

Year 6 comp (A division) Wins highlighted.

Round 1	Round 2	Round 3
Vaucluse vs Bondi	Vaucluse vs Glenmore Road	Woollahra vs Vaucluse
Glenmore Road vs Woollahra	Bondi vs Woollahra	Glenmore Road vs Bondi

The B Team were up next, and faced off against some tough opponents who had also worked tirelessly in preparing for this debate. We were the negative team for the topic "Public transport should be free". Frankie led the charge with an incredible opening performance, and despite Cesare and Yasi's best efforts in rebuttals we ended up without the win in our first loss of the tournament. Wonderful preparative work to note also by our other team members Kaya, Mia, and Baz.

Year 5 comp (B division) Wins highlighted.

Round 1	Round 2	Round 3
Vaucluse vs Bondi	Vaucluse vs Glenmore Road	Vaucluse vs Woollahra
Glenmore Road vs Woollahra	Bondi vs Woollahra	Glenmore Road vs Bondi

A special mention to our B Team for coming away with a tied 1st place overall in the competition! We wish our A team debaters all the best on their bright High School debating futures, and look forward to this year's B team stepping into the A team next year. Best of luck for try-outs for our new B team members to be selected from year 5 next year as well!

Mr Forbes

# Around the Grounds

## Yarn Time Excursion with Wairoa

This Wednesday, our Yarn Time students joined students, teachers and parents from Wairoa School for an excursion to Centennial Park. It was a fantastic day and a great opportunity to connect and explore together. Students took part in a variety of activities, including identifying marine animals, going on a 'bird bingo' walk, and creating maps with natural materials, all under the guidance of Jess.

Thanks to everyone who made the day possible, and to the parents who joined us for the day!

Miss Devenish

# Around the Grounds

## Kindergarten Excursion to the Royal Botanic Gardens

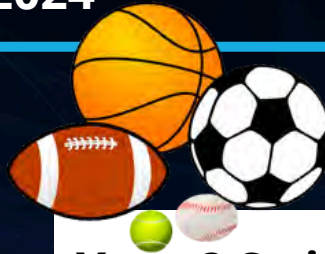

On Thursday, 14 November, Kindergarten students visited the Royal Botanic Gardens. The excursion complimented our geography unit where we have been learning about places that are special and maps. Educators from the Botanic Gardens showed us around and helped explore the features of the garden to discover why it is special and learn how to take care of it.

It was a great time of year to be visiting the gardens as lots of flowers were blooming and there was lots of colour throughout. Here are some quotes from our students:

**Arthur** - ' liked the Botanical garden because we saw some dotted eels.'

**Harvey** - 'It is such a beautiful place and we had fun making things with the fallen treasures.'

# BPS Sports Arena

## Year 2 Swimming Scheme

During Weeks 3 and 4, Year 2 participated in the NSW DoE Swimming Scheme at Botany Aquatic Centre. The NSW Department of Education School Swimming Scheme is an intensive learn to swim program, which develops water confidence and provides students with basic skills in water safety and survival. The scheme is conducted over ten days. Each daily lesson is 45 minutes.

Students were placed in different groups to focus on a range of targeted survival and swimming skills. They were taught the correct form and movement for the strokes they were learning or refining over the two week period. To wrap up each session, students engaged in fun, interactive games that not only reinforced their skills but also kept the atmosphere lively and enjoyable, leaving them with big smiles on their faces! Well done, Year 2!

# BPS Sports Arena

## Stage 3 Surfing

This term Stage 3 students have been learning to surf down on Bondi Beach with local company 'Let's Go Surfing'.

The students have 5 lessons in total, spanning over 5 weeks, where they learn all about surf and beach safety and practise their skills on a surfboard. As a stage 3 teacher it is a highlight of the year to see the students having so much fun together, getting the opportunity to enjoy and share a sport that is a huge part of their culture and community.

It has been amazing to see the support, resilience, bravery and happiness that the cohort have shown towards one another when trying to catch waves or playing beach games. It has also been a privilege to see their maturity when it comes to courtesy in public, allowing people to go ahead of them and using their manners in very busy environments.

# Celebrating Success

## NSW Sustainability Awards 2024 Minister's Young Climate Champion

Dallas and Bondi Public School have been selected as finalists in the NSW Minister's Young Climate Champion Awards, which took place last Friday evening at the Australian National Maritime Museum.

The Minister's Young Climate Champion Award recognises young innovators aged under 18 years who bring bold ideas for a safe and thriving climate future. Young and passionate minds who have taken outstanding actions that benefit the sustainability of their communities and help address climate change were showcased in this award, celebrating young people with drive, commitment and a passion for sustainability and the environment.

Dallas was nominated for his 'Sea, Snap, Save' App which is now used by the NSW Department of Primary Industries 'Fish Smart' App to report sightings of the critically endangered Grey Nurse Shark and up to 40 other endangered marine species.

We congratulate Dallas on this outstanding achievement, inspired by a homework task set by his teachers!

[Winners of the NSW Sustainability Awards 2024 - Banksia Foundation](#)

## Sporting Success

We are also in awe of Arlo, a budding sportsman who has just made the NSW indoor soccer team under 12s. He is the youngest team member, and the Nationals tournament will be held in Melbourne in January.

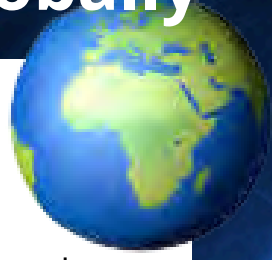

He has had an amazing year after being selected for the team in Japan and winning the NSW PSSA soccer in Tamworth.

Arlo was also scouted by Western Sydney Wanderers and has been training with them. Arlo has worked hard to get to this point in his sporting career, and we know he has a bright future ahead of him.

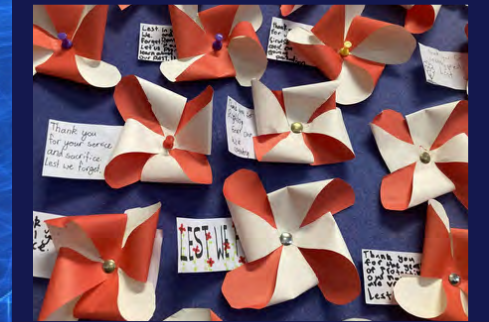

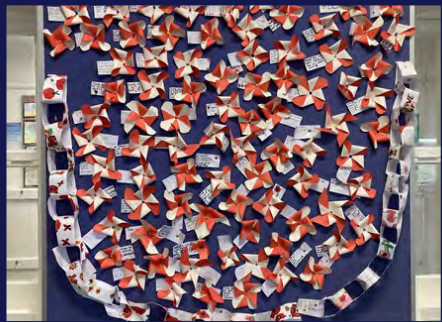

# Thinking and Acting Locally and Globally

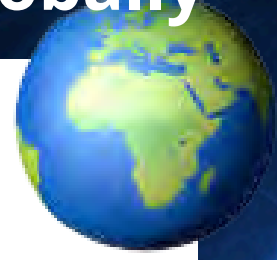

## SRC - Remembrance Day

This year's Remembrance Day was a huge success thanks to the SRC's Remembrance Day initiatives and classroom projects which are planned in their weekly meetings prior to the day. The SRC collaborated together and decided on a variety of art projects that their peers could do to celebrate the day. The SRC thought that this was a great opportunity for the Kindy and Year 4 buddies to connect by creating hand prints together, whilst the rest of the classes would create art to help decorate the stall.

The biscuit stall was another fantastic initiative designed by the SRC, where the SRC would bake Anzac biscuits and sell them at the end of Remembrance Day to raise money that would be donated towards a charity of their choice. They decided on donating to Legacy as it was a charity that specifically helps families of veterans who had lost their lives or sacrificed their health.

# Thinking and Acting Locally and Globally

## Waverley Council Youth summit

Three of Bondi Public School's school captains; Wren, Lilly and Atticus had the privilege of representing our school at the Waverley Youth Summit on Friday, 15th November.

The students got to meet and work with Joshua Spicer and Nicole Fairley, who stated that it was an honour to meet and speak to such thoughtful, focused, and inspiring young people.

The summit was attended by 33 students from 8 local primary and secondary schools. Our students explored and gave opinions on the priority issues identified by the Waverley Community. They collaborated with peers from the other schools on developing clear actions to address these issues. We heard that it is important for our community's wellbeing that we have:

- a connected and caring community that fosters positive mental health and has accessible support services
- a community that embraces its cultural diversity, is inclusive and fosters belonging
- a community that is safe, where we address bullying, treat each other respectfully, and appreciate our differences
- connection to nature and care for our greenspaces promoting biodiversity and safe, relaxing spaces to socialise
- a clean environment caring for our water quality, reducing, and managing waste
- accessible and affordable public transport, with free travel to and from school.

Bondi Public School commends our captains on the exceptional effort they have put into representing our school this semester.

# Positive Behaviour for Learning

## Wellie, you're back!

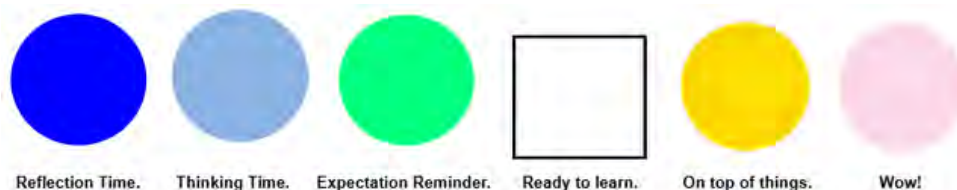

At BPS, every classroom has the **Positive Behaviour for Learning Response Chart** (seen below) to help students understand and follow our expectations for behaviour. This chart highlights the importance of rewarding positive actions and provides clear steps for improving behaviour when needed.

### Why is it important?

- **Clear expectations:** Students know exactly what is expected of them.
- **Positive reinforcement:** Good behaviour is recognised and celebrated.
- **Consistency:** All students are held to the same high standards no matter who is teaching them.
- **Growth mindset:** Encourages students to keep improving, even when things don't go perfectly.

Please note that the PBL strategies are tailored to fit the needs of each class/individual student. For instance, Kindergarten students are primarily encouraged with verbal praise, while older students may use individual behaviour charts on their desks to help them stay accountable and develop independence (see below).

By using the PBL Behaviour Chart, we're creating a positive, focused, and respectful school environment where all students can thrive. Thank you for supporting this initiative at home!

Miss Sinclair, PBL Team Leader

## Tropical Twist Smoothie

### Ingredients

- 1 cup frozen mango
- 2 cups pineapple juice
- 1 cup ice
- 2 leaves kale
- 4 mint leaves

### Directions

- Wash the kale and the mint.
- Strip the leaves off the kale and put the stems in the compost.
- Add the pineapple juice and the kale leaves to the blender and blend (this helps make the kale pieces really small).
- Add the remaining ingredients to the blender, and blend the smoothie until it is smooth and there are no lumps.
- Serve and enjoy!!!

Fresh from the garden: kale, mint

Serves: 2

Time: 10 minutes

## Banana Buzz Smoothie

### Ingredients

- 4 frozen bananas
- 1 cup Greek yoghurt
- 3 cups milk
- 1 tablespoon honey
- 1 teaspoon vanilla extract
- 1 teaspoon cinnamon

### Directions

- Add all the ingredients to the blender.
- Blend the smoothie until it is smooth and there are no lumps.
- Serve and enjoy!

Serves: 4

Time: 5 minutes

# Meet our Staff!

## MS TRACY MURDEN

**Role:** Year 4 classroom teacher.

**Time @ BPS:** 14 years.

**Outside Interests:** Travelling, going to the beach, swimming and hanging with the family.

**Favourite Food:** Italian and heavy on the carbs!

**When I was young I wanted to be:** A dancer in musicals.

**Favourite Children's Author:** Roald Dahl and picture books by Mem Fox and Oliver Jeffers.

**Fun Fact:** Once featured in the Guinness World Records.

## MS MONICA PINKUS

**Role:** School Counsellor.

**Time @ BPS:** 3 years.

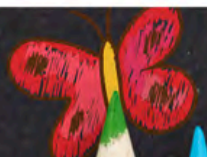

**Outside Interests:** Walking my dog, playing tennis and travelling.

**Favourite Food:** Thai food.

**When I was young I wanted to be:** A lawyer.

**Favourite Children's Author:** Andy Griffiths.

**Fun Fact:** Collecting vintage umbrellas and walking sticks.

# P&C News

## 2024 Halloween Fete!!!

We have crunched all the numbers and are thrilled to announce that **the 2024 Halloween Fete raised \$62,000!!!!**

Such a huge amount for our school and we know that we can do lots of wonderful things with these funds.

Be sure to come along to the P&C Meeting next week to have your say as to what we will use those funds for.

Another huge shout out to our entire community for all their hard work and another shout out to our sponsors as well.

## Christmas Markets

Coming up on Saturday December 7th from 8am - 12pm, not only can you collect your pre-purchased Christmas Tree but you can also buy your gifts from our community stalls showcasing their wares on the day.

If you're interested in hosting a stall, please reach out to Heidi on 0403 238 005 or email [bondipublicschoolpcsec@gmail.com](mailto:bondipublicschoolpcsec@gmail.com)

Come along for a browse and enjoy the fun morning!

## Term 4 P&C Meeting

# JOIN THE CONVERSATION

The Term 4 P&C Meeting and AGM is coming up on Wednesday, 27th November at 6.30 pm and will be held at our Bondi Public School Library.

Please come and 'Join the Conversation' with us to vote for the new P&C executive team for 2025! We will be farewelling Leonie du Bois and Zoe Pester from the executive team, who have volunteered so much time and energy to all things BPS. This means that we will need more people to put their hands up to join the P&C executive team.

Being involved in the P&C is a great way to connect with the school and your kids love seeing you be active in their school life. We are looking to build our community engagement and to do that we need all of our voices.

At this meeting all executive positions will become vacant and then filled by nomination. *A reminder that only financial members can vote.*

Office bearer roles for the Bondi Public P&C are:

- President
- Vice President x 2
- Treasurer
- Secretary

Additionally, sub committee roles for:

- Communications Lead
- Events Lead

## How to get involved

If you are thinking you would like to be more involved in any capacity, please reach out to any of the executive team (Judii, Leonie, Zoe, Candace, Kate or send an email to [bondipublicschoolpcsec@gmail.com](mailto:bondipublicschoolpcsec@gmail.com)) and we can help you with your decision.

**Meeting details**

**6.30 - 7pm:** 2024 AGM and election of 2025 P&C Executive

**7 - 7.15pm:** Presentation by ongoing sponsors OrthoBoutique

**7.15 - 8.30pm:** Term 4 P&C Meeting with new executive RSVP with your attendance [here](#)

Questions or would like an item added to the agenda, send an email to: [bondipublicschoolpcsec@gmail.com](mailto:bondipublicschoolpcsec@gmail.com)

**FUTY Yoga**

A reminder that our wonderful From Us To You Yoga team runs sessions in the hall every Friday morning for \$10.

Join them for an hour to give back to yourself with yoga, that will change from week to week to suit all manners of self-care.

All proceeds will go to the P&C. All are welcome! BYO mat and blanket or shawl. The school car park will be open on Henderson St.

Book your spot today -

<https://bondipublicpandc.com/products/community-yoga>

**Canteen Update****Birthday Freezie Reminder:**

Please note **birthday** Freezies and chocolate mini muffins require a minimum of 3 working days notice and do not include holidays. Please email your order to [canteenbondi@gmail.com](mailto:canteenbondi@gmail.com)

Thanks to all of our wonderful carer volunteers who are helping out in the canteen. We always need help though! Tuesdays and Fridays are our busiest days - if you have time on these days, please consider signing up to help out for an hour or two:

<https://bondipublicpandc.com/blogs/volunteering/canteen>

**REMINDER: Only parents should be using Flexischools to order from the canteen and children's names should match their enrolment.**

### Uniform Shop Update

We are fully stocked for all uniform items including cotton polos so come on in to collect or shop online for class delivery of any of your uniform needs.

**ALL STUDENTS NEED TO BE IN FULL NEW SCHOOL UNIFORM FOR THE START OF 2025.**

We can also always use volunteers at the uniform shop and it can even be outside of our opening hours as there are always orders to pack and items to sort. If you can help, please use the links below to let us know.

### An Ongoing Call Out for Volunteers for 2024/2025

In case, after reading all of this and seeing our calls for volunteers you thought we didn't need anyone, think again!!! We ALWAYS need volunteers!! None of the work the P&C do is possible without volunteers. If you can help out in anyway, get in touch via this link - <https://bondipublicpandc.com/pages/volunteering>

Options to volunteer are endless and we can utilise any skill level!

- Uniform Shop - packing orders and serving; Mon, Wed, Fri 8.45 - 9.15am
- Canteen - help with food prep, no skills necessary; Mon - Fri 9am - 2pm (for any amount of time that you can spare)
- BBQs at events throughout the year - if you can use tongs, let us know; various times and dates
- Anything else you may think of, reach out and get in touch!

Look after yourselves!

Kate, Judii, Leonie, Zoe &  
Candace
