Dear parents and carers,

Welcome back to Term 4. The year has certainly flown by. Thank you to all the parents who have responded to our '**Returning in 2019**' request. Our Staffing allocation is regulated purely on enrolment figures which is why it is imperative to gather the data as early as possible.

**Today the Executive team met with parents to discuss our anti bullying policy** as part of a review of our practice. We heard many personal stories and great suggestions of strategies. I would like to take this opportunity to remind parents that there are a number of opportunities for children to engage in quieter activities at school. The library is

open during second half of lunch and the old hall is open at recess and lunchtime. We will review our policies and procedures and that will require some more feedback from parents.

We launched the **solar panel installation project** on Monday morning. It was great to see 2017 Year 6 students return to see it happen. Will, Sunny, Nais, Matilde, Finn, Emma and Ari drove the project and the fundraiser last year. Finn and Ari spoke so eloquently about the how, why and what. I feel confidence knowing that these young people will be our leaders of the future. The planet is in good hands!

Have you been down to our **garden** recently? The garden is looking better than I have ever seen it. Fiona has more of a magic touch than a green thumb!

The **kitchen program** is also thriving. Samantha works with Fiona to create seasonal dishes with fresh food from the garden. They are quite a dynamic duo and it is great that they are also parents at the school. Samantha has asked if anyone has a contact to get some more good quality frying pans in the kitchen. If so, please contact her directly.

The **Halloween Fete** is creeping up on us but we are prepared! The parents are so organised and excitement is building. Don't forget you can buy the games and rides wristbands from Flexischools and raffle tickets from fete organisers in the playground before and after school.

**Traditionally in Term 4 we set the kindergarten children free range** at recess and lunchtime if they want to venture further afield. This means that older students can also access the kindergarten playground.

**Students currently studying Italian will have opportunities to do some catch up lessons in Mandarin before school.** We are offering lessons before school at 8:20am on Tuesdays and Thursdays. At this stage you are welcome to attend either morning but this may change if demand is high. Please go to the languages classroom on either Tuesday or Thursday at 8:20am.

ACADEMY OF CHESS

## CHESS!!

Learn to be a chess champion! Coaching for students at Bondi Public School is held on Mondays from 1:15pm to 2:00pm, starting on 15 October 2018.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email [enrol@sydneyacademyofchess.com.au](mailto:enrol@sydneyacademyofchess.com.au) for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

While we are pleased to offer this space to advertisers of appropriate material both in the fortnightly bulletin on the school website and flyers, it is not possible for Bondi Public School to endorse any of the products and services advertised.
