- Wed 18th – Year 6 graduation assembly 2pm in hall

January

- Wed 29th – First day of school for Years 1 to 6
- Fri 31st – First day of school for Kindergarten

Dear parents and carers,

We had our final **Kindy transition** day last Wednesday. Our new parents were treated to an information session about our wonderful school and what to expect during those first few weeks of Kindy next year. New parents were also able to purchase uniforms, talk to current parents and were treated to a delicious morning tea. A special thanks to Leonie Du Bois who did a magnificent job

coordinating the morning tea and the 2019 Kindy parents who provided the delicious treats.

The **P&C** are working on developing a **parent database** that they can use for events throughout the year when looking for volunteers. Please complete this short form and indicate how you can assist throughout the year – many hands make light work!

<https://forms.gle/qXUQ9jU9wm8EcXQm7>

Group photos

Group photos are now available to view and purchase online.

- Go to www.gsimaging.com.au
- Go to Online Payment Option
- Go to School Special Group Images and Payment
- The online password is: bpsgroups19

The photos will be available online until February 2020. If orders are made before 13th December they will be packaged and dispatched to the school.

This week I sent out a link to all families exploring the concept of an **extra-curricula languages** program that will be offered at Bondi Public School in 2020. If you haven't had an opportunity to complete this form please click the link below. The survey link will close on Friday 6th December.

<https://forms.gle/M69UjEx8XeouSzqd8>

Year 6 Fundraiser tomorrow

Don't forget that the Year 6 Fundraiser is on tomorrow – Friday 29th November. All students will be running laps of the school and getting a chance to attempt a massive inflatable obstacle course. All students should wear rainbow-coloured mufti and bring in a gold coin for an ice-block after they race.

Library

The library will be closed for the remainder of the year as the installation process of our new shelving begins. There will be no library lessons over the next few weeks so all outstanding books can be returned to the library **before school**. Mr M has requested that all books are returned next week and that they are to be placed in the returns box.

Please be reminded that **riding scooters or bicycles through the playground is not allowed** as it poses a

safety risk to others. There has been an increase in the number of students (and some parents) who are doing this.

Next Thursday 5th December there will be a **music performance** for all of our students who participated in lessons throughout the year. The performance will be held in the hall from 6pm – 7pm. If you're free please come along and support our Bondi musicians.

If you have volunteered in any capacity this year please put **Wednesday 18th December** in your diary. It's a tradition that the school hosts a morning tea for all of our parent volunteers. It will be held in the cottage at 11am. Looking forward to seeing you all there!

Acting Principal
Mrs Olivia Parry

Total Performance

Sing Act Perform

One of Australia's icons of the stage and screen, Rachael Beck, is sharing her vast knowledge in weekly classes at The Church In The Marketplace in Bondi Junction. Rachael has played opposite Hugh Jackman and has had a long successful career in television, stage and film.

Each term students will participate in singing, movement, and acting for both stage and screen. Students will also learn tools to build self confidence, self belief, understand emotions, communication skills and teamwork.

Throughout the year students will also have the chance to work with guest professionals who work in the industry. There will be a performance at the end of the year for parents to see and celebrate how their children have grown.

Classes @ The Church In The Marketplace 400 Oxford Street, Bondi Junction*

Australian Childhood Anxiety TREATMENT STUDY

Free home-based assessment and treatment for 7 to 12 year old children with fear and anxiety disorders.

Does your child become very afraid of certain situations or objects, worry about a lot of things, get very distressed, or try to avoid things they fear?

About the study

Our team at Griffith University may be able to assist you. We are conducting a nationwide study that includes the following services at no cost to families:

- A thorough assessment of your child's anxiety with a trained psychologist via the telephone;
- Your child receiving one of two kinds of home-based treatments delivered on a PC, laptop or tablet; and
- Two follow-up telephone assessments with a trained psychologist 6- and 12-months after treatment to track your child's progress.

The study aims to find out if these two treatments are as effective as each other, and which children have the best response to each kind of treatment. This will mean that there are more evidence-based treatments available for helping anxious children.

About the treatments

Each treatment involves your child completing treatment sessions at home on a PC, laptop or tablet.

Each treatment involves your child learning practical strategies to better manage anxiety.

- One treatment helps children learn to control the focus of their attention on helpful things around them.
- The other treatment helps children learn to think differently and approach things they fear.

Each treatment includes information, telephone or email support for parents in assisting their child to better manage anxiety.

Prior studies have shown that children who complete each treatment experience significant reductions in anxiety.

Contact us

This study is being funded by the National Health and Medical Research Council and is led by Professor Allison Waters and a team of experts in childhood anxiety disorders.

For more information about our study and our team, or if you would like your child to participate, please contact us:
